RANKED IN THE TOP 5 UNIVERSITIES IN CANADA FOR SCIENTIFIC IMPACT

CONSISTENTLY RANKED IN THE TOP 3 CANADIAN COMPREHENSIVE* UNIVERSITIES

At UVic, we believe that living and learning in our extraordinary environment is going to give you an edge you won’t get anywhere else.

We’re a vibrant Pacific Rim community, rich with Indigenous and international perspectives. It’s no coincidence that we have world-leading programs in environmental restoration, oceans, climate change, and Indigenous research. These are just some of our strengths, and they come from being situated in our amazing West Coast environment.

At UVic, we believe that living and learning in our extraordinary environment is going to give you an edge you won’t get anywhere else.

We acknowledge and respect the Lekwungen-speaking peoples on whose traditional territory the university resides, and the Songhees, Esquimalt and WSÁNEĆ peoples whose historical relationship with the land continues to this day.

PLACE MATTERS

VICTORIA: A STUDENT CITY
Situated on the southern tip of Vancouver Island on Canada’s spectacular West Coast, Victoria has all the amenities of a large urban centre yet maintains the character of a small town.

We’re famous for our stunning natural environment, which makes Victoria the ideal place for your outdoor adventures.

Victoria is also the centre of government and has a growing high-tech sector. As a student, it helps being close to research, government and business because that means there will be plenty of local field schools, and co-op opportunities to enhance your studies and help you make connections that can lead to rewarding careers.

We’re a research-intensive university and we’re consistently ranked among the top five universities in Canada for scientific impact. This means you’ll be learning from passionate faculty who are leaders in their fields and committed to research excellence.

We’re also ranked among the top three comprehensive universities in Canada (Maclean’s University Rankings). We currently offer over 80 programs with many more concentrations and specializations. It’s important for you to have choice because if you pursue what you’re most interested in, you’re likely to excel.

› A distinctly diverse community: First Nations, Métis and Inuit students, and students from over 100 countries
› More than 70% of students come from outside greater Victoria
› 200 acres of green space on campus
› 7 Rhodes Scholars in the past 16 years
› 18,300+ undergraduates
› 3,400+ international students

SEE HOW OUR EXTRAORDINARY ENVIRONMENT CAN GIVE YOU AN EDGE UVIC.CA/STUDYHERE

* A university having significant amount of research activity and a wide range of programs at the undergraduate and graduate level.

We acknowledge and respect the Lekwungen-speaking peoples on whose traditional territory the university resides, and the Songhees, Esquimalt and WSÁNEĆ peoples whose historical relationship with the land continues to this day.

LIVE + LEARN

Discovery, creativity and innovation come naturally at UVic. Here, on the tip of an island on the edge of a continent, you’ll be inspired to bold new ways of thinking.

We acknowledge and respect the Lekwungen-speaking peoples on whose traditional territory the university resides, and the Songhees, Esquimalt and WSÁNEĆ peoples whose historical relationship with the land continues to this day.

DON'T JUST LEARN: GET REAL-WORLD EXPERIENCE AS YOU LEARN. IT GIVES YOU AN EDGE BY ACCELERATING YOUR PERSONAL AND ACADEMIC GROWTH, AND PREPARES YOU FOR CAREER SUCCESS.

**CO-OP EDUCATION**

Start building your career while you're at university. Co-op works around your academic courses, so you'll complement what you're learning in class with practical workplace experience. UVic’s extensive co-op program offers you opportunities in 40 countries where you can earn on average CAD $2,718 per month. Graduate from UVic with up to 16 months of paid work experience and connections to help launch your dream career. See page 19 to learn how co-op can give you an edge.

**INTERNATIONAL EXCHANGE**

Combine your passion for travel with your university education. Immerse yourself in another culture, deepen your global perspective and add to your future employability all while earning credit toward your degree at regular UVic tuition rates. Choose from 65 partner universities in 23 countries. Our international exchange partners include:

- **AUSTRALIA**: Griffith University
- **BRAZIL**: Pontificia Universidade Católica do Rio de Janeiro
- **JAPAN**: Konan University
- **ITALY**: Bocconi University
- **SWEDEN**: Uppsala University
- **THAILAND**: Mahidol University
- **UNITED KINGDOM**: University of Essex

** FORMAL EXCHANGES FOR INDIGENOUS STUDENTS**

We have a formal co-op exchange agreement with the University of Newcastle’s Wollotuka Institute in Australia. Indigenous students from UVic complete a work term with the Wollotuka Institute, while Aboriginal students from Australia complete LERNNGT courses, electives and a community internship at UVic. As part of the exchange, students from both post-secondary institutions receive cultural guidance from local Indigenous elders, including taking part in traditional ceremonies.

**FIELD SCHOOLS**

At UVic, extended field trips and group study tours enhance your understanding of the world. Whether you participate locally or trek off to the other side of the globe, you’ll learn by doing. Here’s just a few of our field schools:

- **CENTRAL EUROPE**: I-witness (Holocaust) Field School
- **SOUTH AFRICA**: Colonial Legacies Field School
- **GREECE**: Eastern Boeotia Archaeological Project Excavation
- **BARKLEY SOUND, BC**: Archaeology Field School

Your field school might look something like this:

**CUBA ETHNOGRAPHIC FIELD SCHOOL: MEDIA AND VISUAL ANTHROPOLOGY IN TRANSFORMATION**

- **BEFORE WEEK 1**
  - Pre-field school at UVic.
- **WEEK 1**
  - Meeting in Santiago de Cuba, selection of team and topic for audio-visual project.
- **WEEK 2**
  - Courses with Cuban scholars at the University of Oriente. Visits at the Festival del Caribe. Teamwork on production of audio-visual project.
- **WEEK 3**
  - Visit to Baracoa and Guantánamo: visit coffee and chocolate plantations, archaeological site, traditional cultural groups and religious leaders.
- **WEEK 4**
  - Presentation of the final audio-visual projects at a public show open to all.

SEE HOW DYNAMIC LEARNING CAN GIVE YOU AN EDGE: UVIC.CA/STUDYHERE

**CO-OP PLACEMENTS**

- **73.3%** BRITISH COLUMBIA
- **18.3%** CANADA
- **8.4%** INTERNATIONAL

**WHERE DO YOU WANT TO GO?**

- **65** PARTNER UNIVERSITIES
- **23** COUNTRIES
As a UVic student, it’s amazing how much power you have to make a difference. Our student and faculty researchers are dedicated to solving humanity’s problems, and it’s satisfying (and fun) to develop a technology that has the potential to save lives.”

MAKE A DIFFERENCE

Being a UVic student means belonging to a community of innovative thinkers guided by social responsibility and committed to tackling real-world issues.

WHAT WILL YOUR IMPACT BE?

At UVic you don’t need to wait until third or fourth year to change the world. From your first week on campus, you’ll find plenty of clubs such as Amnesty International or ME to WE where you can make a difference. Making a vital impact will look different to everyone. For some it means engaging with their neighbourhood. For others it involves making change abroad. Whether you seek humanitarian or technological solutions, a better society or new knowledge, UVic offers you a spectrum of opportunities.

VITAL IMPACT BY THE NUMBERS

› Top 5 universities in Canada for scientific impact.
› Last year alone, UVic students helped develop and deliver 103 innovative technologies to help people with disabilities in our CanAssist Program.
› 25 million page views of UVic’s Internet Shakespeare Editions last year.
› 66 children in a South African kindergarten classroom taught by UVic field-school students.

RESEARCH

Participate in innovative research with local and global significance alongside your fellow undergraduates, graduate students and professors. Apply for an undergraduate research award to pursue your own unique ideas, work as a paid research assistant and, of course, enjoy the benefits of professors who bring their own research into your classrooms every day.

STUDENTS MAKING A DIFFERENCE

Help people with disabilities improve their quality of life

Take part in UVic’s CanAssist program and develop new technologies that improve the lives of people with disabilities. From communication tools to mobility devices, you can help make a world of difference to someone’s life.

Discover your power to make an impact

Psychology and Indigenous studies student Nicole Mandryk (Irish, English Ukrainian, Anishinaabe and Mohawk) helped run nature-based counseling workshops, drumming events, and summer camps for Indigenous youth as part of her co-op experience at Mary’s Farm and Sanctuary.

Whether you join a team of UVic students on Project Serve Day, take a leadership position with the UVic Orientation Volunteer Program, or come up with your own plan to improve the world like the Victoria Hand Project, you’ll be part of a community defined by a passionate commitment to making a difference.

CIVIC ENGAGEMENT

UVic is about more than just academics. Here you’ll belong to a dynamic, diverse and engaged community who cares about the world as much as you do.

You’ll organize food drives for the homeless, volunteer for a local non-profit or march for what you believe in. You’ll push boundaries to solve real-world problems. You might even take a few steps outside your social and political comfort zone.

Your UVic experience is what you make it! To learn more about student life at UVic, check out the MyUVic Life blog [uvic.ca/myuviclife](http://uvic.ca/myuviclife) and My First Year @ UVic Facebook group.

**BENEFITS OF LIVING IN RESIDENCE**

- You’ll make friends and be part of a vibrant community.
- You’ll be close to classes, the library and all the resources UVic has to offer.
- Every floor has a Community Leader—a student like you who can support your transition to university life.
- Residence offers events and programs all year—designed to help you succeed academically, make friends and explore new interests.

**FIRST-YEAR RESIDENCE GUARANTEE**

If you’re a current high school student in your graduating year, take advantage of a guaranteed space in residence. To be eligible for the first-year guarantee, you must meet the following requirements:

1. You have graduated from high school in 2018.
2. You won’t have attended a post-secondary institution prior to attending UVic.
3. You have accepted your offer of admission to UVic and paid your acceptance deposit of $200 to the university by June 1.

**MEAL PLAN**

When you move into a dormitory bedroom (excluding apartments and Cluster rooms), you will automatically receive a meal plan. This meal plan is added to your ONECard and has an allotment of money that you can use to purchase food and beverages in University Food Services dining outlets [uvic.ca/food](http://uvic.ca/food).

**JOIN A UNIQUE COMMUNITY**

UVic offers a special group of residences called Living Learning Communities that bring together students with common interests or areas of study. Some are focused around academics, like the Science Community, while others are tailored to leadership and lifestyle.

**Average accommodation costs (Canadian dollars)**

<table>
<thead>
<tr>
<th>Description</th>
<th>Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Single room with standard meal plan</td>
<td>$10,064</td>
</tr>
<tr>
<td>Double room with standard meal plan</td>
<td>$8,811</td>
</tr>
<tr>
<td>Cluster room (does not include a meal plan)</td>
<td>$6,182</td>
</tr>
</tbody>
</table>

(On-campus residence rates based on September to April 2017-18 rates.)

**APPLY TO RESIDENCE**

As soon as you apply for admission to UVic, you can apply to residence. Don’t wait for your admission offer to apply for residence. The deadline to apply for residence and receive your first-year guarantee is June 30.

**Correction:** If you can apply for residence between February 15 and June 30.

Learn more about living in residence at [uvic.ca/residence](http://uvic.ca/residence)
As a Vike, you’ll be a member of Vikes Nation, an inclusive community committed to, and passionate about, all things UVic, our teams and active healthy living.

THE PLACE TO TRAIN

Victoria has ideal weather for year-round training, and UVic has state-of-the-art facilities for international-calibre coaching. Whether you’re an elite swimmer, a weekend surfer or a paddleboard yoga enthusiast, you’re guaranteed to find a way to keep fit on campus.

VARSITY ATHLETICS

UVic has one of the most successful university athletics programs in Canada. With 77 national championship titles in eight sports, we’re known as a powerhouse in the Canadian university sports world. If you’re a high-school athlete interested in playing at the varsity level, make sure to contact the appropriate coach early in your senior year at govikesgo.com/recruits. Sports-specific and general scholarships are awarded each year to athletes based on athletic, academic and leadership criteria. You’ll find the following men’s and women’s varsity teams at UVic:

- Basketball
- Cross-country & track
- Field hockey
- Golf
- Hockey
- Rugby
- Soccer
- Swimming
- Rowing
- Tennis
- Track & field
- Volleyball
- Wrestling

INTRAMURAL & RECREATIONAL SPORTS

Being healthy is a way of life here on the West Coast. If you can think of a sport or recreational activity, you’re almost guaranteed to find it on campus. Join one of our 28 sport clubs, play in an intramural league or join a recreation class. With everything from badminton to volleyball, you’ll learn new skills, stay fit and have fun while you’re doing it. Start exploring your options at vikesrec.ca.

CLUBS AND COURSE UNIONS

With 200 clubs and 40 course unions, from Astrophotography to Zen Meditation, UVic has a club for every interest, and new members are always welcome. Check out our clubs at uvic.ca. Don’t see what you’re looking for? Start one of your own! The University of Victoria Students’ Society (UVSS) can even provide you with funds to get you started.

FACILITIES: GET IN ON THE ACTION!

The Centre for Athletics, Recreation and Special Abilities (CARSA) is our newest facility for training, recreation, research and learning. Most of our athletics facilities are in CARSA, though there are many others across campus. Here’s a partial list of athletic facilities at UVic:

- Tennis courts
- Multi-sport field house
- Indoor & outdoor tracks
- 8 outdoor playing fields
- Ice rink
- Two-floor fitness weight centre
- 16 m climbing wall
- 2,100-seat performance gym
- Dance studio
- TRX & spin-class rooms
- Yoga studio
- Squash & racquetball courts
- Rowing & ergonomic centre
- Sports therapy clinic
- Indoor pool
- CanAssist develops technologies, programs & services that help people with disabilities improve their quality of life

GET INVOLVED

Find endless opportunities and make the most of your UVic experience by getting involved with intramurals, recreational sports, clubs and course unions.

CO-OP BENEFITS
At UVic, co-op is so much more than work experience. It’s about helping you discover what you love and what you’re great at by putting what you’re studying to work. It’s about learning what the world needs through hands-on experience in the community, and it’s about helping you find a career that supports you while you make a difference.

- Co-op graduates find work related to their degree faster, and receive higher salaries than those who choose not to take part in co-op
- Students completed more than 3,800 paid work terms last year
- The average co-op salary in 2016/17 was CAD $2,718 per month
- 4 to 16 months of work experience before you graduate + making connections in your field + finding a career path you love = the UVic Co-op edge
- More than 1,325 unique employers hire UVic co-op students each year in more than 40 countries

WHAT MAKES UVIC CO-OP UNIQUE?
You’ll learn how to write strong cover letters and résumés, practice your interview skills before your first real interview and receive training on how to search for work—it’s all part of the package. During each work experience you’ll see how your skills are developing—this will help you land your dream job and confirm that you’re on the career path that you love. Our co-op offices are housed within UVic academic departments, which means that your co-op coordinator is an expert in your field of study. We help you develop the 10 skills that every employer looks for (like communication, teamwork, project management and more) plus skills that will help you contribute to the world around you. We also connect you with faculty, employers and alumni through on-campus events.

INTERNATIONAL CURRICULA

In addition to the general requirements for admission to UVic, you'll need to fulfill the English Language Proficiency requirement. Meeting the minimum requirements does not guarantee admission. Some programs have a higher cut-off and/or require specific prerequisite courses. For all international admission requirements, visit uvic.ca/admission.

ENGLISH LANGUAGE PROFICIENCY REQUIREMENT

Applicants whose first language is not English must demonstrate English language proficiency prior to admission. A full list of the ways in which you can meet the requirement is available at uvic.ca/enpr, including:

- Completion of four consecutive years of full-time secondary and/or post-secondary studies within Canada or another approved country in which all instruction is in English.
- Submission of an acceptable proficiency test score, as per the chart below.

CONDITIONAL ADMISSION

Applicants who meet all academic requirements but fall short of the language proficiency requirement may be conditionally admitted and allowed to register in courses provided they meet the minimum language proficiency score for conditional admission outlined below. The full language proficiency requirement (or proof of registration in the August University Admission Preparation course) must be met by August 1.

UVIC PATHWAYS PROGRAM

Applicants who have not yet met the minimum language proficiency requirements are invited to apply to UVic’s Pathways Program. This 12-month program will provide you with the opportunity to complete UVic credit courses in Social Sciences, Science or Engineering while improving your English language skills. To qualify for the Pathways Program, students must meet all regular academic requirements and have met the English language proficiency criteria in the chart below. As a Pathways student, you’re a member of the UVic community and have access to the same services and facilities as other students. Upon successful completion of the program, you will be eligible to continue in a UVic degree program with almost a full year of credit. For more information on application procedures, please visit uvic.ca/pathways.

GENERAL ADMISSION REQUIREMENTS

All other post-secondary institutions

Visit uvic.ca/admission to see the general admission requirements for students applying from Canadian colleges of applied arts and technology, CEGEP, Canadian institutes of technology and international post-secondary institutions.

ADDITIONAL REQUIREMENTS

In addition to the general admission requirements, you'll need to fulfill the English Language Proficiency requirement (see page 28) and the specific requirements of your program (available from your department website). As well, some programs require you to submit supplemental information to support your application. See uvic.ca/supplemental for details.

TRANSFER CREDIT FOR COLLEGE & UNIVERSITY TRANSFER STUDENTS

Every transfer applicant has a unique educational history and no two transfer students are alike. Undergraduate Admissions will review your application individually to determine whether your completed coursework will satisfy our admission requirements. Meeting the minimum requirements listed below does not guarantee admission. Some programs may have a higher cut-off and/or require specific prerequisite courses. For more information, visit uvic.ca/admission.
TUITION AND FEES

Costs vary according to your faculty, course load, method of transportation and accommodation preferences. For more information, visit uvic.ca/annualcosts.

SCHOLARSHIPS

UVic offers more than CAD $8.8 million in entrance scholarships each year to outstanding students. Scholarships are non-repayable and are awarded on the basis of academic merit or excellence.

WORK STUDY

The UVic Work Study program provides valuable part-time work experience on campus. To be eligible, you must submit an online application via your UVic MyPage to Student Awards and Financial Aid.

FINDING A JOB WHILE YOU STUDY

Career Services’ workshops, programs and one-on-one support will help you:

- Identify your interests and explore career options
- Develop successful job search strategies
- Create strong résumés and cover letters
- Practice interview and networking skills
- Plan your next steps

BURSARIES

Bursaries are awarded according to financial need and are non-repayable. UVic awards CAD $4 million in bursaries every year.

CO-OP

UVic’s outstanding Co-op Program helps you find relevant, paid work in your field of study. As a co-op student, you can earn on average CAD $2,718 per month—a great way to offset the cost of your education and get valuable work experience. See page 19 to learn how UVic’s co-op can give you an edge.

Paying for your education

Attending university is a big investment and it’s important that you have a sound financial plan in place to pay for your education. UVic provides work-study programs, co-op, scholarships, bursaries and career services to help you earn while you learn. Use our tuition fee estimator to get a preliminary estimate for the cost of your full-time undergraduate studies.

PLAN YOUR BUDGET FOR FIRST YEAR

International tuition

$18,062+

Depending on your area of study

Single room with a standard meal plan

$10,064+

Books and supplies (approximately)

$1,700

Student fees

$776+

Tuition and student fees based on September to April 2017-18 rates. Eight months of study (five courses per term). On-campus residence rates based on September to April 2016-17 rates. All figures in Canadian dollars.

Attending university is a big investment and it’s important that you have a sound financial plan in place to pay for your education. UVic provides work-study programs, co-op, scholarships, bursaries and career services to help you earn while you learn. Use our tuition fee estimator to get a preliminary estimate for the cost of your full-time undergraduate studies.
APPLYING TO UVIC

1. REVIEW ADMISSION REQUIREMENTS
uvic.ca/admission
Before you apply, make sure you meet UVic’s general admission requirements, program-specific requirements (page 24 to 28) and our English language proficiency requirement (page 28). Visit uvic.ca/admission to see all of the details.

2. CHECK APPLICATION DEADLINES
uvic.ca/deadlines
The application deadline for all current high school students (domestic and international) is February 28. All other applicants should check uvic.ca/deadlines. If you’re applying to a program that requires a supplemental application, check your faculty’s supplemental application deadline.

3. READY TO APPLY?
uvic.ca/apply
1. Add @uvic.ca to your safe-senders list
Add @uvic.ca to your safe-senders list to ensure you receive email from UVic. You will receive written communication from Undergraduate Admissions via email only.
2. Start your application
Start your application as soon as possible. You can save your in-progress application and submit it later.
3. Submit your application by the deadline
Complete your application by submitting it and paying the application fee.
4. Complete your supplemental application (if required)
If your program requires a supplemental application, follow the instructions carefully and submit it before the deadline.

4. I’VE APPLIED. WHAT’S NEXT?
uvic.ca/applied
1. Check your application status
Go online to see the status of your application and review a checklist of tasks that you need to complete.
2. Submit your grades
If you are studying in a Canadian high school curriculum (including Canadian offshore schools) or completing an International Baccalaureate diploma in Canada, you must self-report your interim/final grade 11 and 12 marks or predicted IB grades between February 15 and March 31. Once you self-report, you will automatically be considered for a GPA-based scholarship.
3. Submit proof of English language proficiency (if required)
You are not required to provide proof of language competence if you have studied full-time for at least four years within Canada at the high school or post-secondary level, and all of your instruction has been in English. Visit uvic.ca/enpr for more information.

5. I’VE BEEN ADMITTED. WHAT’S NEXT?

uvic.ca/admitted
1. Accept your offer by paying your acceptance deposit
Submit your CAD $200 acceptance deposit as soon as possible to ensure that there are no delays. The acceptance deposit is non-refundable, and will be credited toward your tuition fees.
2. Verify your payment
You can confirm that UVic has received your acceptance deposit through the UVic ‘My page’ portal. Allow at least two to three business days for the payment to be processed into your UVic account.
3. Submit your final transcripts and required documents
Arrange for official transcripts of your final grades to be sent to UVic, along with any other documents required to meet the conditions of your offer by the deadline specified in your emailed offer of admission.

GETTING READY TO COME TO UVIC

1. CREATE A UVIC NETLINK ID
Your UVic NetLink ID gives you access to your UVic email, registration, tuition account and so much more. You can create this any time after you apply. Visit uvic.ca/uvicid

2. APPLY FOR SCHOLARSHIPS
Apply for specific-criteria scholarships by submitting an online scholarship application from February 15 to May 1. Visit uvic.ca/entrancescholarships

3. APPLY FOR RESIDENCE
If you are a current high school student, you must apply by June 30. You can apply for residence before you have received your admission decision. If you are a high school graduate or transfer student, you must apply between February 15 and May 15. Visit uvic.ca/residence

4. VISIT UVIC
Taking a tour of campus is the best way to get to know the campus. Visit uvic.ca/visitus

5. DON’T MISS REGISTRATION 101
Throughout April, May and June, UVic holds ‘Registration 101’ events, school visits and webinars to help incoming UVic students prepare for September. Visit uvic.ca/reg101

6. REGISTER FOR ORIENTATION
Join thousands of new undergraduates for an official welcome to UVic and an introduction to campus services. Take part in these opportunities to learn about campus and connect with UVic staff, faculty and students. Register at uvic.ca/orientation

7. ARRANGE FOR YOUR STUDY PERMIT (INTERNATIONAL STUDENTS ONLY)
As soon as you’ve been admitted, arrange for your study permit. Visit Citizenship and Immigration Canada at cic.gc.ca/english/study
