Thanks for sharing ideas from the edge.

For 36 years, the University of Victoria Speakers Bureau has arranged for UVic faculty, staff, graduate students and retiree speakers to give talks to community organizations, groups and schools throughout southern Vancouver Island on a wide range of topics. This past year our speakers gave over 500 presentations and reached more than 16,000 people. We thank each of the 174 organizations that took part in our 2016-17 season.

To ensure your organization is on our distribution list for the 2017-18 Speakers Bureau Guide to Topics, please visit uvic.ca/speakers, email speakers@uvic.ca, or call 250-721-8587.
