Commonly asked questions

Q. How do you decide who is admitted?

- A. Eligible applicants are admitted to the quota on the basis of their sessional grade-point average calculated on courses attempted to April 30 (minimum 12 units or 8 courses). Interviews were not held in 2014 and won't be held in 2015. In lieu of an interview, applicants will be asked to submit a letter of intent, résumé and reference letters. In your letter of intent and résumé you have the opportunity to tell us about your experiences and how they relate to your goal of becoming a teacher.
