

**Faculty of Engineering
University of Victoria**

E-mail Policy

February 3, 2004

All official messages from to faculty members or administration (e.g., questions, assignments, etc.) must be sent using UVic accounts (any uvic.ca, including engr.uvic.ca). All messages sent to students from faculty and staff will be sent to students' UVic email accounts (rather than hotmail, yahoo, etc. as these are often lost or rejected).
