All students registered in the Faculty of Engineering must declare a program minor, option or specialization by submitting this form to their departmental program advisor (ELEC, MECH, CENG, SENG). Students are responsible for completing all requirements for their chosen minor, option or specialization as required by the relevant department. Students should also direct themselves to the appropriate departmental advising center for advice and information regarding minors outside the Faculty of Engineering.

**Please read the following carefully:**
- Should I decide to change my declared program above, I **must** notify my departmental advising office in writing as soon as possible. I realize that program changes will not be made automatically based on course registration or by meeting the requirements for another program.
- In no case will a program change be processed after my degree has been awarded.
- I understand that it is my responsibility to ensure that my degree program requirements are completed.
- Courses that fulfill requirements for a Minor/Option cannot form part of the requirements for the base degree. Requirement for a Minor are normally taken outside a student’s primary academic unit.
- I have submitted a **Modified Program Form** with this request for a Minor, Option, or Specialization indicating my proposed schedule of courses.
