Facilities Notice

Title: Elevator 16 – Restricted Access

Location: University Centre – A Wing

Description: Be advised that Elevator #16 in the A Wing of University Centre will have restricted access due to tile replacement on the main floor of A Wing, in front of the elevator. The elevator will only travel from the Parkade, Level 0, to the second floor, Level 2, thus bypassing the first floor. If you require elevator access from the first floor, the elevator in the B Wing of University Center will be available and in full service with a cross over between A and B Wing available on the second.

Note: All A Wing services will be available during these renovations and accessible via an alternative exterior route.

Time frame: June 15, 2015 to July 15, 2015
