## Facilities Notice

**Title:** Scheduled Power Outage

**Location:** University Centre

**Description:** Facilities Management Electrical shop will be assisting the contractors working on electrical systems in the University Centre under Project 14-1568 - University Centre Atrium Refresh. For the safety of workers the power to the electrical panel L1-Ea in the A-Wing only will be required to be shut down.

As this power outage may affect various areas throughout A-Wing, we are advising that everyone power off equipment as you leave the building on Wednesday, July 15, 2015. We recommend electronic equipment, such as personal computers, facsimile machines, electronic and laboratory equipment be unplugged from power receptacles to avoid the risk of damage that could result from voltage fluctuations which may occur during this work.

Please **DO NOT** unplug any telephone sets.

**Time frame:** Thursday, July 16, 2015 at 7:00 a.m.
