Facilities Notice

Title: Ventilation Shut Down affecting the Second Floor Labs

Location: Elliott Building

Description: Facilities Management Mechanical Shop will be working with the contractor to shut down the fume hood fans while the ventilation system is balanced.

This work will require the Air Handling Units to be shut down temporarily affecting all fume hoods, ventilation, and heating systems on the second floor labs for the duration of the work.

Fume hoods advisory:

All staff and students are advised not to use any fume hoods in the building while this work is underway.

Time frame: from Friday September 18 4:00 p.m. to
Tuesday, September 22, 2015 (end of day)
