Facilities Notice

Title: PNX Office Renovation and Fire Alarm Upgrade

Location: Phoenix Theatre

Description: Facilities Management will be working with Story Construction on renovations to update the General Office area and to upgrade the fire alarm system of the Phoenix Theatre. During construction the General Office will be relocated to room 141 and the Production Office will be relocated to room 135. The Box Office will remain open during the renovations.

Time frame: Monday, June 12th thru Friday, September 15th, 2017

Facilities Management contact: Jay Timothy, Project Manager
