Title: Sedgewick – All Gender Single-User Washroom Renovation –
Electrical Panel Shutdown

Location: Sedgewick B Wing

Description: Facilities Management is working with Aral Construction (2014) Ltd. to renovate washroom space in Sedgewick B wing to create a single occupant all gender washroom. As part of this work, a short electrical panel shutdown in the B wing has been scheduled. The shutdown will impact lighting and power receptacles in the B wing. Please power down all equipment in these spaces at the end of the workday on December 4th, 2023. Phones do not need to be disconnected.

We apologise for the inconvenience this may cause.

Time frame: Tuesday, December 5, 2023 - 7:00 am to 8:00 am (approximately)
