

## Facilities Notice

**Title:** Facility Condition Re-Assessment

**Location:** Cornett Building, David Strong Building, Clearihue Building, Human and Social Development Building, Sedgewick Building, First Peoples House, Fine Arts Building, University Club, Visual Arts Building, Phoenix Building, Chapel, and Ian Stewart Complex.

**Description:** The Consulting Firm of VFA Canada Corporation has been retained to complete Building Condition Re-Assessments on the above noted buildings.

The consulting team will be reviewing building systems and equipment, and life safety systems. Access to all rooms within the building will be required.

The Building Condition Assessments and resulting Reports will assist the University in taking a longer term view of the present condition of our existing portfolio of the buildings, and that review will inform us as we plan renovations, adaptations, expansions.

**Time frame:** May 5, 2014 to May 9, 2014

Inspection Dates	Building Name
