Facilities Notice

Title: Scheduled Power Outage

Location: Continuing Studies Building

Description: As part of the Continuing Studies Expansion Project, the main power vault will be shut down for installation of new components.

As this power outage may affect various areas throughout the building, we are advising that everyone power off equipment as you leave the building on Friday July 24th and Friday, August 21th. We recommend electronic equipment, such as personal computers, facsimile machines, electronic and laboratory equipment be unplugged from power receptacles to avoid the risk of damage that could result from voltage fluctuations which may occur during this work.

Please **DO NOT** unplug any telephone sets.

Time frame: Saturday, July 25, 2015 and Saturday, August 21, 2015
