BE SAFE- BE SEEN

By Fiona Puszka. Personal Safety Coordinator, Campus Security Services

Walking and bicycling are convenient for getting around campus, and Autumn is an important time to reinforce pedestrian safety. Reduced visibility on dark, foggy days, wet days makes it difficult for drivers to see pedestrians and bicyclists. Campus Security Services continues to work with other departments both on and off campus to improve pedestrian safety and UVic takes the issue of campus travel safety very seriously. Here are a few tips to help you arrive at your destination safely:

#1 Don’t jaywalk. Cross or enter streets at marked crosswalks only.
#2 When using a crosswalk, stop at the curb and look left-right and left again for oncoming vehicles. Cross when it is clear. Do not run or dart into the streets, and be extra alert when crossing high traffic areas.
#3 At crosswalks, make eye contact and make sure the driver sees you before crossing.
#4 Wearing earphones impairs your ability to hear and react to unseen traffic.
#5 Use extra caution while walking at night and stay on trails and sidewalks.
#6 Wear light colored clothing, it is easier to see in the dark.
#7 Wear reflective materials and carry a flashlight.
#8 In case of an emergency on campus, use the direct dial Help Phones located outside buildings. Visit our website http://web.uvic.ca/security for a complete list and map of all our Help Phones.
#9 Be aware of basic traffic signs, ie/ pedestrian signs indicate a crosswalk or pedestrian traffic signal.
#10 Drivers should be especially alert to pedestrians on campus. Pedestrian safety on the roadways is the responsibility of every driver.
#11 Drivers must always follow the street signs and speed limits and stop for pedestrians in a crosswalk.
#12 In parking lots, be especially careful of pedestrians emerging between parked cars.
#13 Cyclists also share the road and may take the entire lane when hazards, road width or traffic speed dictate.

Stay safe!

Hello! My name is Angie, and I am a 2nd year UVIC Social Sciences student. As well as being a student, I am also the mother of 2 energetic, challenging, talented and inspiring kids who keep life pretty interesting! I am a "born and raised" Victorian, and I love living here! When the weather is nice our family spends lots of time exploring local beaches, forests and parks. When its not, we like to go to the movies, visit museums, read books and create lots and lots of crazy art projects! I give excellent hugs, and I make terrible soup. I really enjoy working with children and families; I think we can learn a lot from each other! Thanks for welcoming me into your community!
By popular request we have invited Vicky Neelson, Children's Librarian from Greater Victoria Public Library, to come and do another story-time with us. Vicky will share a special winter story-time with us on Monday December 9th from 10am–noon. Hope you can make it!

Need Help this Holiday Season?

During the holiday season finances can be stretched even further than usual. If you are in need of help this year there are a number of agencies you can apply to. One is the CFAX Santas. Application forms are available at http://cfaxsantas.com/. There are also hard copies available on the outside bulletin board of the Family Centre. To apply you will need to complete the form and drop it off at one of the five places listed before December 6th.
Programs and Events

Family Learn and Share
On Monday mornings from 10am-12noon the Family Centre hosts a drop-in program for families to interact and learn from one another. Each week there is a designated focus topic and facilitator. Please contact us by email, phone or Facebook if you have any questions or suggestions.

Playgroups:
The Family Centre hosts fun and energetic playgroups for children under five with their caregiver. Join facilitator Johanna Payjack, an Early Childhood Educator, on Wednesday and Friday mornings from 10am to 12noon. Our goal is to provide children with a rich environment in which they can learn through play. Expect engaging activities in the main room, along with free play in the toy room. There is typically a snack time and elements of art, crafts, story, songs and finger-plays incorporated into the morning. The schedule is flexible to enable us to follow the lead of the children.

After School Club:
School Aged Kids (Grades 1-6) are invited to the Family Centre's After School Club on Wednesdays from 3:30 to 5:00 pm. We will be doing a variety of activities each week. These might include outdoor games like soccer, tag, and croquet, as well as puzzles, projects, board games, talent shows and crafts.

Make and Take:
Need a night out? The Family Centre is open on Monday evenings from 7-9pm. Currently the group is working on knitting projects, but feel free to bring your own craft project along and work on it while getting to know other people in the community. Don't have a craft project? Can only make it for an hour? Come anyway! The kettle is always on and we'd love to see you!

Book Club:
The Family Centre has a book club that meets on the third Thursday of each month to discuss a novel chosen by the group. If you enjoy reading and would like to get together with others please come along. To find out more go to our Facebook page.
