A COMMUNITY NEWSLETTER FOR STUDENT FAMILIES AT UVIC

Many Thanks!
A huge "Thank You" to Jan Burke and colleagues from Student Awards and Financial Aid and Chardelle Lalonde and team from the Office of the Associate VP Student Affairs! Student Families and their children will benefit so much from the wonderful collection of items they donated in December to enrich play experiences at the UVic Family Centre.

The Doll House will now have people and furnishings, our play materials now include paper and colours to reflect the diversity of our families as well as a good representation of local animals for the play table. It is such a thoughtful gesture to think about what can be done to further support the experience of Students with Families.

Family Literacy Week
Family Literacy Day is a national awareness initiative created by ABC Life Literacy Canada and held annually on January 27 to raise awareness of the importance of reading and engaging in other literacy-related activities as a family. There are also lots of events happening at the Greater Victoria Public Library during the last week of January for Family Literacy Week (gvpl.ca). Taking time every day to read or do a learning activity with children is crucial to a child’s development. Even just 15 minutes a day can improve a child’s literacy skills dramatically, and can help a parent improve their skills as well. Check out these 15-minute activities to get started!

Are there Student Family parents who would be interested in an English Conversation Group? This would be an opportunity to practice using English in a relaxed and comfortable setting at the Family Centre. Please email familyc@uvic.ca with suggestions of an evening and time.
