3. On the **Dashboard**, click on the Recruiting tab, then under the Requisition heading: **Create Requisition**.

**TIP:** You can return to the Main Dashboard at any time by selecting the home icon.

4. The progress bar at the top of the screen indicates where you are in the process of creating a requisition.

The first step is the **Select Associations** screen. Complete all required (red) fields. Choose **Employee Group** carefully as this choice determines the workflow to follow.

If you have an existing job that does not appear in the **Job Title** drop-down list, contact Employment Services.

If the job is new, view the [Create a requisition for a new position](#) guide.

**TIP:** Type the position number for the job into the **Job Title** field, and click on the job title to select it.
On the Step 2 Define Requisition screen, complete all required fields. The Job Summary and Job Requirements fields will already contain approved information and cannot be edited.

You can add specific information about the position in the About this Opportunity field. Alternatively, copy and paste the text provided above this field.

**TIP:** The Education Level must correspond to the requirement in the job description.

**TIP:** For Creation Options, if you wish to keep a copy of your requisition to use again in the future, choose Create Requisition and Personal Template. Otherwise, choose Create Requisition Only.

Choose Next.

**TIP:** You can save a draft at any time. To find your draft, scroll to the bottom of the STEP 1 Select Associations screen. Your draft will appear under the My Drafts heading.
On the Select Approver(s) screen, highlight the appropriate approval chain in the Select Approval Chain(s) field, then select. Additional fields will appear. The Budget Office always appears as a mandatory approver.

For Approval Chain Type, choose Serial.

Select your Department Head and VP (for regular continuing positions). If desired, add additional approvers by using the Select Approvers by Name option.

Choose Next.

Tip: Select Approvers by Name option, remember to click Confirm Selection.
On the **Approval Order** screen, click and drag the **Budget Office** to the bottom (end) of the list of approvers.

Choose *Next*.

On the optional **Attachments** screen, you can attach additional documents. First enter the **Document Name**, then **Browse** to upload files.

Check the boxes to indicate whether the attachment should be visible to job seekers (internal or external) and/or approvers. Choose *Next*.

**TIP:** You do not need to attach the job description to the posting, Employment Services will do this as part of their final review.

**TIP:** If the classification for the position has changed, please attach the memo from your HR Advisor.
Carefully review your requisition on the Preview screen. Different views are available: Approver View, Internal View and External View. The Internal and External view tabs contain the same information, and show how the job posting will appear on the website.

Use the edit icon to make changes. Choose Finish when you are satisfied that the requisition is ready for posting.

Your requisition will now move through the approval process. You and your approvers will receive email notifications from the UVic Careers system regarding its status.

Finally, a member of the Employment Services team will review the requisition to ensure it meets the appropriate UVic Collective Agreement and other requirements.
To review the requisition and its status, click on the Recruiting tab, then under the Requisition heading: **Manage Requisition**

Use the Filter option to select the posting you wish to view or use the Quick Filter.

Your unapproved requisition will appear in the **Pending Review/Rejected** category. You can select this category to view information about all pending requisitions. The requisition status will change depending on the actions taken by your approvers.

Once approved, the job posting will be published on the UVic Careers website.

If your requisition is rejected by an approver (e.g. budget office), you will need to resubmit it. From the Manage Requisitions screen, click on the icon for **More Options**. Choose **Edit and Resubmit Requisition**.
