HSD Shared Research Office Space (Rm B205) Guidelines

December 2023

Overview

The HSD Shared Research Office Space (Rm B205) is designed to support HSD researchers (e.g., grant-funded research staff, postdoctoral fellows, graduate and undergraduate students) who need work-space on campus. Located on the second floor of the HSD building, this office space has 15 workstations each with a privacy screen. The workstations are available on a daily first-come first-serve basis.

Eligibility

The following individuals are eligible to use the HSD Shared Research Office Space:

1. Grant-funded research staff (e.g., Research Assistants, Research Coordinators) supervised by an HSD faculty member
2. Post-Doctoral Fellows supervised by an HSD faculty member
3. Graduate and undergraduate students in an HSD program

Schedule

- The HSD Shared Research Office Space (Rm B205) is open and available for use Monday – Friday 8:30 – 4:30.

Storage

- Due to the open availability of the space, storage of personal items of personal items in the space is not permitted.
- General Use Lockers are available on the 2nd floor A Wing of the HSD Building. Use of the lockers is on a first-come, first-serve basis. Students may acquire a locker by placing a lock on any General Use Locker.
- Campus Security Equipment Lockers are available on the 2nd floor A Wing of the HSD building. For use of these lockers please contact 250-721-6386.
- Cyclist Lockers are available on the 2nd floor A Wing of the HSD building. For use of these lockers please contact 250-721-7600.

General Expectations

- All users of the Shared Research Office Space are asked to be considerate of other people using this quiet working space and to people working in the surrounding offices. **Users are not permitted to take Zoom/Teams meetings or phone calls in the Shared Office Space.** You may want to consider Room 300 in the HSD Building as an alternative space.
- Users are required to bring their own laptop computers; no equipment, supplies, or personal belongings should be left behind.
- All users must ensure that the workstation is clean and tidy after use. Issues may arise in a loss of access privilege to the space.

Term

The guidelines will be reviewed annually and may be adjusted based on feedback during the initial implementation during the 2023-24 academic term.
