

## SESSIONAL INSTRUCTORS

The School of Child and Youth Care at the University of Victoria invites expressions of interest from individuals interested in sessional teaching in our undergraduate CYC programs on campus and through distributed learning. Courses are offered throughout the Winter (two terms: September-December, and January-April) and Summer (May-August).

*General responsibilities for a course include:*

- teaching the classroom sessions or through distance delivery (workshops, teleconferences, listserves, etc.)
- consulting with students and being available to them through office hours, electronic communication and telephone
- evaluating student learning, including grading of assignments
- working collaboratively with other instructors
- a working knowledge of instructional technology

Courses available for the Winter 2016-2017 session are posted with this notice. Please indicate your preferences.

Please note that each year we have more expressions of interest than we have teaching opportunities, and each year we have a different mix of variables that need to be taken into account. A number of changes are underway within our School; some of which may affect current teaching opportunities for sessional instructors. First, we have recently hired a 3-year, Limited Term Assistant Teaching Professor, which means we now have three full-time teaching professors teaching in our undergraduate program. Second, all tenured faculty members are expected to teach at least one course in our undergraduate program. Third, we have more PhD students teaching for us than ever before and doctoral students are given priority when assigning teaching.

*Qualifications:* Child and Youth Care practice experience and an MA in CYC or allied human services fields are essential to these positions. A PhD in CYC or allied human services fields is preferred. The salary range for 1.5 units of teaching is \$5,292 to \$6,436 (effective May 2016).

Expressions of interest should be forwarded in writing by Wednesday, June 8th, 2016 to:

University of Victoria, HSD Building  
PO Box 1700, Stn CSC, Victoria, BC V8W 2Y2

Decisions regarding applications will be made in June/July/August for Winter Session 1<sup>st</sup> term (September-December), in November/December for 2<sup>nd</sup> term (January-April), and March/April for Summer Session (May-August).
