

# ITALIAN 305

For further information contact

Dr. Marina Bettaglio ([bettagli@uvic.ca](mailto:bettagli@uvic.ca))

## Summer 2014

Italian 305 is an on-line cultural studies course centering on **the role of food in Italian culture**.

It explores the rich culinary tradition of Italy and its diversity throughout history. It shows how food is a key cultural component of Italian society and how the Slow Food Movement reflects contemporary concerns about food production and consumption.
