SPANISH CULTURE
(in English)

The objective of this course is to give the student an overview of the culture of Spain. Through the use of readings, slides, music, art, literature and film we will explore the rich diversity and uniqueness of Spain and her people. Students will do short writing exercises on four topics: music, food, art and film and will do a final project that involves a presentation as well. You will have a chance to sample some Spanish food, too!
