Dear Student

On behalf of the Course Evaluations service at Explorance University, we are seeking your feedback on the courses you are currently taking. This feedback will help your instructors, departments, and the university better understand and address the concerns of students such as yourself.

For each question, please select the answer which best reflects your experience with the instructor, course, and your personal efforts. Also, we would greatly appreciate any detailed feedback you might have, which you can provide at the end of the evaluations.

Because your feedback is important, we may send reminders after a few days if we have not received your reply. We greatly appreciate your help and input.

- To save your answers and move onto the next section, just click the "NEXT" button or the arrow (➡️) on mobile.
- Please remember to click the "SUBMIT" button after you complete the survey.
- If you are unable to complete the survey in one session, make sure to save your review by clicking the "SAVE" button (under "OPTION" on mobile).

To resume a previously saved survey, return to your original email containing the link to your course feedback. If your session times out prior to submitting, please return to your original email.
