Default Management Plan – A Plan for Student and School Success

Entrance Counselling

All University of Victoria students applying for Direct Loans are required to complete Entrance Counselling before funding will be disbursed. Students are directed to complete Entrance Counselling at https://StudentLoans.gov

Financial Literacy for Borrowers

In addition to Entrance and Exit Counselling (https://StudentLoans.gov) University of Victoria students are encouraged to consult the Student Awards and Financial Aid website for budgeting and debt management tools http://www.uvic.ca/registrar/safa/planning/index.php

Communication

Enrolment of University of Victoria students receiving current Direct Loan funding and students deferring previous loans is monitored constantly. Regular reports are generated in the student information system (Banner). Any changes to student registration are followed up by staff at Student Awards and Financial Aid. In addition, any students who may be having academic difficulties are monitored by University of Victoria Record Services and are apprised of academic supports available through Advising, the Learning and Teaching Centre, Counselling Services and the Resource Centre for Students with Disabilities.

Retention

Student Services at the University of Victoria fosters retention of students by creating a network of supports to help students succeed academically and personally http://studentaffairs.uvic.ca/student.php

Exit Counselling

All University of Victoria students are informed in writing to complete Exit Counselling at https://StudentLoans.gov

Enrolment Reporting

Student Awards and Financial Aid reports student enrolment every sixty days via NSLDS.

Contact with Former Students

Students who leave the University of Victoria are encouraged to maintain contact with UVic through Alumni Relations http://www.uvic.ca/alumni/

Graduates and former students can update their contact information through Alumni or through UVic MyPage.
