Researcher submits Application to Use Animals for Research/Teaching (AUP) to Animal Care Services Liaison (ACSC)

Is the application complete? Has the ACSC received page 1 with signatures?

YES!

The AUP is discussed by the Committee members. Questions and concerns of the members are addressed, and a consensus is reached.

Is the application approved?

YES!

The AUP is signed by the ACC Chair and the Veterinary Director. It is assigned a protocol number and entered into the database. The original AUP is kept in the ORS and a copy is sent electronically to the Researcher. A copy of page 1 with signatures is sent back to the Researcher.

NO?

ACSC contacts Researcher to correct and resubmit the application or additional required material.

SUBJECT TO CHANGES
ACSC contacts Researcher to correct or resubmit the application or additional required material.

Does the application address the requested revisions?

YES!

Subject to changes

NO?

ACSC contacts the Researcher to correct and resubmit the application or additional required material.
