Health & Medical Sciences Research
Lunchtime Q&A and Capacity-Building Events
Spring/Summer 2017

Apr 25: Networking Event: Global Health Research, Noon - 1pm, MWB 120
Research Services is offering a series of networking events to make new connections across faculties and disciplines. Join your fellow colleagues April 25th to discuss your interest and engagement in Global Health research. Dr. Oliver Schmidtke, OVPR, Centre for Global Studies, will introduce the event. Have tea. Make connections.

May 17: Research Budgets 101, Noon – 1pm, MWB 220
This interactive session aims to help you improve your research application budgets and budget justifications. The session will be led by Nicole Kitson, Senior Grants Officer, and Debra Anderson, Manager of Research Finances. Also offered August 9th.

May 23: CIHR Project Grant, Noon – 1pm, MWB 120
This lunchtime Q&A session will focus on the CIHR Project Grant Spring competition. Our CIHR University Delegate will be available to answer your questions. The deadline for mandatory registration for this program is May 30th, and the full application deadline is June 13th.

June 1: The ABCs of Grantscrafting, 11:30am – 12:30pm, MWB 220
This interactive session aims to help you improve the crafting of your research proposal. Learn critical elements for a successful application from your ORS Grants team. Also offered August 17th.

June 6: Mitacs Research & Training Programs, 11am – Noon, MWB 220
Join us for a lunchtime Q&A to learn about the Mitacs suite of programs. Facilitated by Nolan Beise, Mitacs Director of Business Development, Vancouver Island.

June 7: Can you Patent a Frog? Noon – 1pm, MWB 120
This question and your other burning questions on Intellectual Property at the University of Victoria will be addressed. This presentation will review the basics of Intellectual Property (patents, trademarks and copyright) at UVic with plenty of time for questions.

June 14: National Institutes of Health (NIH) Grant Basics, Noon – 1pm, MWB 220
Join us for an overview of the NIH grants process to learn about their programs, how to find the right fit for your research, what they look for in an application and how to navigate the submission process. Previous applicants will be available to share their experience.

June 15: Ethics & Funding Roadmap, Noon – 1pm, MWB 120
This session will help you navigate research ethics and funding releases. Join our Human Research Ethics Facilitator for an interactive session on what you need to know and who you should connect with.

June 21: Animal Care Drop-in, 10am – 11am, MWB 220
Drop-in to meet your Animal Care team and ask your questions about protocol, services, veterinary care, experimental design, procedures, training courses and education...or animal care in general.

June 21: CIHR Foundation Grant, Noon – 1pm, MWB 220
This lunchtime Q&A session will focus on the CIHR Project Grant Spring competition. Our CIHR University Delegate will be available to answer your questions. The deadline for mandatory registration for this program is August 8th, and the full application deadline is September 12th.

Aug 9: Research Budgets 101, Noon – 1pm, MWB 220
Also offered May 17th.

Aug 17: The ABCs of Grantscrafting, Noon – 1pm, MWB 220
Also offered June 1st.

Please RSVP for any of the above sessions to resprog3@uvic.ca.

Are you a new faculty member? Make sure to connect with us for an orientation to UVic grant application resources and services.
