Academic Writing Requirement (AWR): If you **have not** already satisfied UVic's Academic Writing Requirement, you will need to complete one of ENGL135, 146, 147, or another approved course. See www.uvic.ca/awr for more information. If you **have** satisfied the AWR you can select 1.5 units of any-level Elective.

* Have you satisfied the AWR? Yes No (If you are unsure, check your Administrative Transcript on your [My Page](#).)

UVic Residency Requirement: In order to graduate, students must complete at least 30.0 of their minimum 60.0 required units at UVic. Within these 60.0 units, 21.0 units must be upper-level (300/400-level) courses, and 18.0 of those 21.0 units must be taken at UVic.

Refer to the **University of Victoria Academic Calendar** for a complete list of course selections. Although every attempt has been made to ensure the information on this worksheet is accurate, in the case of any discrepancy the Academic Calendar shall be considered the authority.

Reading This Worksheet

This worksheet has been created as a program planning tool for recently admitted, undeclared students. **If you are a current declared student, please refer to your CAPP report for the most accurate summary of your remaining program requirements.**

Although this worksheet has been designed according to full-time four-year timeline, students are **not** required to organize their degree according to this timeline and may elect to complete their degree in more than four years, as a part time student, or by taking courses in the Summer Sessions. Refer to [Undergraduate Academic Regulations](#) within the Academic Calendar for more detailed information.

For requirements that offer a selection of courses, there is not always room on the worksheet to include all options. Where a course range is not explicitly listed, or includes an ellipsis (“...”), you should refer to the program requirements for your program in the [Academic Calendar](#) for a complete list of options.

Courses Already Complete

You can find a list of the courses you have already taken at UVic, a list of courses for which you have received transfer credit (if applicable), and a list of the courses you are currently registered in by reviewing your Administrative Transcript on your [My Page](#).

Pre- and Corequisites

Course prerequisites are listed in Course Descriptions within the [Academic Calendar](#) and must be satisfied before beginning any given course.

“Corequisites” can refer either to Course Corequisites or Program Corequisites. Any listed Course Corequisites must be completed before or at the same time as a given course. Program Corequisites (indicated on this worksheet as **red courses**) refers to required courses offered by schools or departments outside of a student’s major school or department.

Make sure to review the individual course and program requirements carefully before registering in order to sequence your program correctly.

Choosing Electives

Electives (indicated in **Green**) can be chosen from any area of study and taken in any year, as long as you meet the prerequisites. Use these courses to explore different areas of study or include a minor or second major.

Declaring Your Program

After successfully completing 12.0 units of coursework (including transfer credit), you are eligible to declare your program. To do so, complete the online Request to Declare Program form through your [My Page](#) account by visiting www.uvic.ca/declareme. Transfer students with 12.0 units or more of transfer credit may submit a program declaration form only after they have begun their coursework at UVic. Once your request has been approved, you’ll be given access to an online “Curriculum, Advising and Program Planning” (CAPP) report that allows you to track your progress towards degree completion. You can continue to use this worksheet for planning purposes (if it corresponds to the calendar year on which you are declared), but your CAPP report is the official record used by the Office of the Registrar to determine your eligibility for graduation.

Footnotes

1. Students are required to demonstrate a reading knowledge of a language other than English relating to the Mediterranean region. You may want to register in first-year language courses in Year One. Contact the Hispanic and Italian Studies department for more information.
2. **Students in the Faculty of Humanities are required to complete courses in three areas of Humanities (including your program area) as well as 6.0 units of coursework outside the Faculty of Humanities to be eligible for graduation (see “Faculty Program Requirements” in the Academic Calendar for more information). When selecting your courses, make sure to include these two requirements.**
3. RS 200A is a recommended elective.
4. Language courses can be selected from FRAN, GMST, GREE, ITAL, LATI, PORT, SLST, or SPAN, but not ENGL. FRAN 180 is also acceptable for the second-year language requirement (prerequisite FRAN 160) as are 300-level reading courses.
5. Refer to the [Department of Hispanic and Italian Studies Program Requirement Page](#) within the Academic Calendar for a complete list of required courses.
6. Upper-level courses used towards one Honours, Major, General or Minor Program cannot be counted towards the requirements for another Honours, Major, General or Minor Program a student declares as part of their Bachelor’s Degree.
7. Students intending to take 300- and 400-level courses in Spanish must achieve an average minimum GPA of 4.0 or higher in both SPAN 250A and 250B **and** a minimum grade of C+ in each; complete one of SPAN 270, 280, or be completing SPAN 275; and complete SPAN 350A as a pre- or corequisite or have permission of the department. Refer to the calendar entry for each course you’d like to take for the specific prerequisite requirements.
8. Students intending to take 300- and 400-level courses in Italian must achieve a minimum GPA of 4.0 or higher in ITAL 250A and 250B and a minimum grade of C+ in each. Refer to the calendar entry for each course you’d like to take for the specific prerequisite requirements.

Student Responsibility

You are responsible for the completeness and accuracy of your registration and for determining the requirements of your program.

Always read course descriptions before you register to determine if you have the necessary prerequisites, and pay attention to notes on mutually-exclusive and cross-listed courses (pairs of courses in which credit will be awarded for only one).
