11.00 This policy applies to the conduct of Students on university property and/or when participating in a University Activity.

11.01 This policy does not address academic appeals or matters related to academic integrity as set out in the university’s Graduate and Undergraduate Academic Calendars.

11.02 Visitors or other individuals who are not University Community members may submit allegations of Non-Academic Misconduct against Students, where an allegation occurs on campus or in connection with a University Activity, by using the Non-Academic Misconduct Incident Report Form or by contacting Campus Security.

12.00 This policy continues to apply to a Student who withdraws from the university or takes a leave of absence, if the Student was registered, enrolled, or participating in a course or program at the time that Non-Academic Misconduct was alleged to have occurred.

13.00 This policy is designed to complement other university policies and documents that set out conduct expectations including but not limited to the:

(a) Human Rights, Equity and Fairness policy (GV0200);
(b) Sexualized Violence Prevention and Response Policy (GV####);
(c) Discrimination and Harassment policy (GV0205);
(d) Response to At-Risk Behaviour policy (SS9105);
(e) Acceptable Use of Electronic Information Resources policy (IM7200);
(f) Student Athlete Code of Conduct;
(g) Residence Contract and Residence Community Living Handbook; and
(h) Family Housing Agreement.

13.01 When circumstances arise that are specifically addressed under other university policies, procedures, or regulations, the processes and response mechanisms contained within those documents will normally be followed unless the Associate Director, Student Life (or designate), in consultation with the appropriate Administrative Authority, deems that it is appropriate to proceed under this policy.

13.02 A Student’s conduct may be investigated under other university policies or processes, and/or collective agreements (when a Student is also a university employee), in addition to this policy. Proceedings under this policy will respect a Student’s rights under other policies, processes, or collective agreements. In cases where more than one policy or process may apply, the Office of Student Life will
consult with the General Counsel to determine jurisdiction, and will work with appropriate offices to co-investigate as required.

13.03 A Student’s conduct in university residences may be addressed by Residence Services under Residence policies, contracts, and Community Living standards. Residence Services may refer Student conduct issues to be reviewed or investigated under this policy instead of, or in addition to, any action taken by Residence Services.

13.04 In cases where the application of this policy conflicts with another university policy, the Office of Student Life, in consultation with the appropriate Administrative Authority, will determine an appropriate course of action consistent with the pertinent policies.

14.00 The university may take action beyond the scope of this policy where it is reasonably believed that immediate action is required to:

(a) protect the health or safety of any individual or the campus community;
(b) prevent damage or destruction of the university’s property, infrastructure or assets; or
(c) remove a Student from university property where there is a high potential of risk posed by the Student’s continued presence.

In such cases, the university will follow applicable university policies and practices.

15.00 The university may undertake proceedings under this policy where the matter is also being investigated or reviewed by a law enforcement agency or authority external to the university. If the university's investigation determines that the Non-Academic Misconduct Policy has been violated, the university may apply sanctions against a Student, regardless of any other discipline applied externally.

15.01 No aspect of this policy will prevent the university from referring a matter to an appropriate law enforcement agency as required.

POLICY

Appendix “A” provides detailed examples of Non-Academic Misconduct which may engage the processes and sanctions outlined in this policy and its associated procedures.

Interpretation

16.00 This policy and its associated procedures will not be interpreted in a manner that:

(a) limits the President’s authority to deal summarily with any matter of Student discipline in accordance with the University Act;
(b) unreasonably limits demonstrations or assemblies that are safe, non-violent and non-destructive;
(c) unreasonably limits the free expression of ideas; or
(d) prevents any member of the University Community or member of the public from proceeding with criminal or civil actions independent of any action(s) taken by the university.

General Principles

17.00 The university is committed to promoting a safe, respectful and supportive learning, living, and working environment. As part of the University Community, each Student is responsible for their personal conduct as it affects the University Community, University Activities and the university’s property.

18.00 Students who are on university property and/or participating in a University Activity are expected to assume responsibility for their actions, ensure lawful personal conduct, and respect the rights, privileges and safety of others.

19.00 The university recognizes its responsibility to take measures to prevent Non-Academic Misconduct within the University Community and to diligently investigate allegations of Non-Academic Misconduct.

19.01 Students who engage with this policy can expect the university to:

(a) treat them with fairness, dignity, and respect;
(b) provide timely access to support, resources, and referrals;
(c) provide access to case management support for Students participating in an investigation process;
(d) have an opportunity to have any investigation and adjudication process explained to them, including available options and potential outcomes;
(e) provide opportunities to engage in community accountability processes where appropriate;
(f) provide a fair and unbiased process;
(g) keep their information confidential (except when disclosure is required by law or university policy);
(h) provide access to regular updates on ongoing proceedings; and
(i) take steps to provide equitable access to the non-academic misconduct process as required for Students with accessibility or other needs (e.g., language interpretation, Students with disabilities, international Students, etc).

An overview of the rights of Complainants and Respondents who engage in the non-academic misconduct process is set out in Appendix ‘B’.

20.00 The university is committed to providing clear and transparent processes in all proceedings involving allegations of Non-Academic Misconduct and is committed to implementing the principles of natural justice and procedural fairness in the resolution of allegations under this policy. The university will deal fairly and firmly with Students who have been found responsible for violating this policy.
21.00 The university views allegations of Non-Academic Misconduct seriously and may pursue disciplinary action against a member of the University Community who is found to have made a false allegation against a Student with the intention of harassing or being a nuisance.

22.00 A Student may, at their discretion, have a Support Person present at any proceeding related to an allegation of Non-Academic Misconduct to provide personal support and advice. The Office of Student Life can provide a neutral support person when a Student has not identified one.

**Management of Allegations of Non-Academic Misconduct**

23.00 The Office of Student Life is responsible for:

(a) providing guidance to the University Community for informally resolving incidents of Non-Academic Misconduct;
(b) performing administrative processes to implement this policy and its associated procedures;
(c) conducting preliminary reviews of allegations of Non-Academic Misconduct;
(d) providing support and guidance to Students engaged in the Non-Academic Misconduct resolution process;
(e) investigating or coordinating investigations of allegations of Non-Academic Misconduct where warranted;
(f) determining or recommending a reasonable course of action upon the completion of an investigation; and
(g) monitoring compliance with sanctions under this policy.

**Informal Resolution**

24.00 The university recognizes that many disputes or incidents can be resolved informally by mutual agreement without submitting an allegation under this policy. Wherever possible, members of the University Community are encouraged to use respectful and direct communication to resolve such disputes or incidents informally by way of apology, conciliation, education, consultation, or mediation. University Community members may seek advice from the Office of Student Life for matters involving students.

**Submission of an Allegation of Non-Academic Misconduct**

25.00 A University Community member who wishes to make an allegation of Non-Academic Misconduct must submit a signed written allegation in accordance with the Procedures for the Submission of and Response to an Allegation of Non-Academic Misconduct.

25.01 Written allegations must include a description of the alleged incident with sufficient details.

26.00 The university may take steps under this policy as the Complainant.

**Interim Measures**

27.00 The university may impose interim measures before an investigation is concluded where immediate action is required to protect university community members’ health or safety, or
university property. Interim measures will be determined on a case-by-case basis and imposed in accordance with the Response to At-Risk Behaviour Policy.

28.00 Where interim measures impose restrictions on the Respondent’s movement or activities, if for health or safety reasons or where restrictions otherwise affect the Complainant or others (e.g. witnesses), the university will inform them of the relevant restrictions.

Review and Investigation of an Allegation of Non-Academic Misconduct

29.00 Allegations of Non-Academic Misconduct will be reviewed and where appropriate investigated by the Office of Student Life to determine whether or not this policy has been violated. Decisions are made using the balance of probabilities standard of proof. This means that the information collected during the investigation must show that it is more likely than not that a policy violation occurred in order for the investigator to find that a student is responsible for Non-Academic Misconduct.

29.01 The review and investigation of allegations will be in accordance with the Procedures for the Submission of and Response to an Allegation of Non-Academic Misconduct.

Determination and Imposition of Sanctions

30.00 After investigation, the university may impose sanctions where Non-Academic Misconduct is found to have occurred. Sanctions may be applied independently or in combination for any violation of this policy.

30.01 Sanctions for confirmed Non-Academic Misconduct and factors in determining appropriate sanctions are established in the Procedures for the Submission of and Response to an Allegation of Non-Academic Misconduct.

30.02 Failure to comply with a sanction may result in the imposition of further sanctions, which may include restricting a Student's access to programs, services, or locations on campus, and/or placing an administrative hold on a Student’s account.

Notice of Decision

31.00 Where a decision on an allegation of Non-Academic Misconduct has been made, the Student will be provided with written notice of the rationale for any decision made and of any sanction(s) to be applied. The Student will be provided with an opportunity to have the decision explained to them.

31.01 If a suspension is imposed (permanent or time-limited), this will be documented on a Student’s transcript for the duration of the suspension.

Appealing a Non-Academic Student Decision or Sanction

32.00 A Student may appeal a decision or action taken by the university under this policy provided that sufficient grounds exist in accordance with the Procedures for Appealing a Decision Made Under a Non-Academic Misconduct Proceeding.

32.01 Appeal requests must be made in writing.
Confidentiality and Management of Records

33.00 The information and records created and received to administer this policy are subject to the access to information and protection of privacy provisions of British Columbia's Freedom of Information and Protection of Privacy Act (FIPPA), and the university Protection of Privacy Policy (GV0235). The information and records will be treated as confidential, in compliance with FIPPA and with applicable university policies and collective agreements.

34.00 The university may use or disclose personal information, including where:

(a) it is authorized by the affected individual;
(b) the university determines compelling circumstances exist that affect anyone's health or safety in accordance with the Procedures for the Disclosure of Student Personal Information in Emergency or Compelling Circumstances;
(c) it is authorized or required by a law or university policy, for example, an incident involving a minor, occupational health and safety legislation, and human rights legislation;
(d) it is for the purpose of preparing or obtaining legal advice for the university;
(e) it complies with a subpoena, a warrant or an order issued by a court, person, or body in Canada with jurisdiction to compel the production of information;
(f) the university uses or discloses the information for the purpose for which the information was obtained or compiled or a consistent purpose (for example, where it is necessary to fulfill the university's duty of procedural fairness or where necessary for the conduct of the investigation);
(g) an employee needs the information to perform their employment duties (such as to: facilitate support or interim measures; respond to an allegation; implement this policy; or take corrective action resulting from these processes.);
(h) the information is disclosed to a law enforcement agency in Canada to assist in a specific investigation; or
(i) the information is being disclosed to the Complainant, the Respondent, or another person, under conditions consistent with section 39.00.

35.00 Should the university be compelled to disclose Students’ confidential information, Students will be informed to the extent permitted or compatible with the purpose of the demand for information.

36.00 The university may disclose information in order to ensure that reporting processes are fairly conducted, in accordance with the following principles:

(a) the Respondent has the right to know the identity of the person who made the allegation (unless the university is the Complainant), and the material details of the allegations being made;
(b) the Complainant has the right to know the outcome of the investigation, but not the details of any disciplinary actions that may have been taken against the Respondent unless disclosing that information is necessary for health or safety reasons or because it affects the Complainant; and
(c) other persons normally do not have the right to know any confidential information except to the extent required to give effect to this policy or where it is necessary for health or safety reasons.
37.00 Witnesses must keep in confidence any information that they learn solely as a result of the reporting or investigation process. Allegations of witnesses intentionally breaching confidentiality may be reviewed under applicable university policies or collective agreements.

38.00 Records created under this policy and its associated procedures will be retained for five years after the Student’s last date of registration. After five years, the records will be securely destroyed or deleted.

Annual Report
39.00 An annual report detailing the nature of Non-Academic Misconduct allegations, types of offenses, investigation outcomes and actions taken under this policy will be completed by the Office of the Associate Vice-President Student Affairs and provided to the Senate and the Board of Governors. The annual report must not contain personal information about Students.

PURPOSE

1.00 The purpose of this document is to set out procedures for the submission, review, investigation and resolution of an allegation of Non-Academic Misconduct.

PROCEDURES

Submission of an Allegation

2.00 Wherever possible, members of the University Community are encouraged to use respectful and direct communication to resolve incidents or disputes informally by way of apology, conciliation (including restorative justice), education, consultation, or mediation.

3.00 Where informal processes are conducted, but do not result in a resolution, then the university will revert to a formal process.

4.00 Where informal resolution is not possible or appropriate, a University Community member who believes that a Student has committed Non-Academic Misconduct may submit an allegation in writing to the Office of Student Life using the Non-Academic Misconduct Incident Report Form.

4.01 Allegations must include:

(a) a description and relevant information regarding the alleged incident including the time(s), date(s) and location(s) of the incident(s) and potential witnesses; and
(b) the Complainant’s name and signature .

4.02 University Community members may access support from the Office of Student Life for assistance in submitting an allegation.

4.03 Allegations must be submitted within ten (10) university business days of the alleged incident unless the Office of Student Life considers it reasonable to extend that time limit.
Potential incidents of Non-Academic Misconduct may be reviewed or investigated in absence of an allegation.

**Preliminary Review of an Allegation**

When an allegation of Non-Academic Misconduct is submitted, the Office of Student Life will review the allegation and may decline to proceed with an investigation in cases where the Manager is of the opinion that:

(a) the allegation falls within the jurisdiction of another university policy, procedure or regulation and it is more appropriate to proceed under that policy or regulation;
(b) the allegation(s) does not constitute a violation of or is outside the scope of the Resolution of Non-Academic Misconduct Allegations policy;
(c) an unreasonable amount of time has elapsed since the alleged incident such that it would preclude resolution of the allegation;
(d) the allegation has been adequately addressed by another process;
(e) the allegation could be more appropriately addressed by conflict coaching, facilitated dialogue, restorative justice or mediation;
(f) the allegation is being addressed by another process and it is reasonable to put the allegation in abeyance pending the outcome of such a process; or
(g) the allegation is trivial, false, frivolous, or vexatious.

Where the Manager declines to proceed with investigating an allegation under this policy, s/he will notify the Complainant in writing of the decision within ten (10) university business days of receiving the allegation and will include rationale for the decision not to investigate.

The Complainant may submit a written appeal of the decision not to investigate an allegation to the Executive Director, Student Services (or designate) within five (5) university business days of receiving the Manager's decision only where:

(a) relevant information emerges that was not available at the time of the decision;
(b) the Complainant reasonably believes the decision not to proceed with an investigation was biased; or
(c) the Complainant reasonably believes that the Manager made a judgment error in determining that the allegation was trivial, false, frivolous or vexatious.

The Executive Director, Student Services will review the written appeal and may meet with the Complainant before making a final determination on whether an investigation of the allegation will occur under the Resolution of Non-Academic Misconduct Allegations policy.

**Alternative Dispute Resolution**

After receiving and reviewing an allegation of non-academic misconduct, the Office of Student Life may determine that an alternative dispute resolution process is suitable to attempt to resolve an allegation.

An alternative dispute resolution process may include: restorative justice, mediation or facilitated conversation between the parties, conflict coaching, or creation of a
community accountability agreement and/or letter of expectation. Where appropriate, sanctions as outlined in section 15.00 may be applied to any Student participant in an alternative dispute resolution process.

7.02 To apply an alternative dispute resolution process, the Complainant(s), Respondent(s) and the university must all voluntarily agree to enter into the process. Informed consent is collected from participating Students.

7.03 Any information that a Student submits to the Office of Student Life within an alternative dispute resolution process may be used in a formal investigation should the university determine that an incident requires investigation, or if a suitable agreement cannot be reached within the alternative dispute resolution process.

7.04 Where an alternative dispute resolution process is conducted, but does not result in a resolution, then the university will revert to a formal investigation process as outlined in section 8.00 to 11.00.

Investigation and Determination

8.00 Where an allegation of Non-Academic Misconduct has been made against a Student and it is determined that an investigation will be undertaken, the Respondent will be provided in writing with:

(a) a notice of the allegation sufficient to allow the Respondent to understand the nature of the allegation;
(b) a summary of pertinent information regarding the alleged Non-Academic Misconduct;
(c) a timeline for providing relevant documentation;
(d) a proposed interview date and time (including notice of the right to reschedule within reasonable timeframes and under reasonable circumstances);
(e) information on student support services including information on the university Ombudsperson; and
(f) access to a copy of the Resolution of Non-Academic Misconduct Allegations policy and other relevant supporting university policies or documents.

8.01 The Office of Student Life may place an administrative hold on a Respondent student’s registration account for the duration of a Non-Academic Misconduct investigation and decision-making process, including an appeal process.

9.00 The Office of Student Life, in consultation with the General Counsel, may appoint an investigator who is external to the university. If so, the investigator will carry out the Office of Student Life’s responsibilities under sections 10.00 to 10.06, and will prepare a written report according to section 11.00.

10.00 As part of the investigation, the Office of Student Life will gather and review relevant information and conduct interviews as appropriate with the Complainant, pertinent university staff, and any witnesses to the alleged incident. The Office of Student Life will forward a summary of the information collected during the investigation to the Respondent.
10.01 The Office of Student Life will conduct an interview with the Respondent to review the allegation and the information collected in the investigation.

10.02 A Student may be accompanied by a Support Person at an interview. The Office of Student Life can, upon request, provide a neutral Support Person when a Student has not identified one. Where a Support Person has information about, or was involved in, the alleged Non-Academic Misconduct incident, the Support Person will be interviewed separately and prior to the Student.

10.03 Where a Student intends to be represented by legal counsel at an interview, the Student must provide the Office of Student Life with a minimum of three (3) university business days’ notice in advance of the interview. The Office of Student Life may request that university legal counsel be present at an interview to observe or provide advice as required.

10.04 Upon completion of the interview with the Respondent, the Office of Student Life will provide the Respondent with a reasonable opportunity to submit an additional response or any relevant documentation related to the allegation.

10.05 There is no general right to cross-examination. However, the Respondent will be given an appropriate opportunity to assess and challenge the relevant information, keeping in mind the nature of the allegation, any conflicts in the information, and the importance of ensuring the safety and security of the Complainant and witnesses.

10.06 A decision may be made based on available information in a case where the Respondent does not:

(a) attend a scheduled interview;
(b) provide relevant documentation requested during the investigation;
(c) submit an additional response or documents pursuant to 10.04; or
(d) otherwise cooperate with the investigation.

11.00 Upon completing an investigation of an allegation of Non-Academic Misconduct, the Office of Student Life will prepare a written report summarizing:

(a) the alleged Misconduct;
(b) the information available on the alleged incident(s) and other pertinent information;
(c) the findings of the investigation including a statement dismissing or confirming the allegation;
(d) any sanction(s) to be applied or recommended in accordance with section 12.00 - 15.00 of these procedures.

Sanctions

12.00 In cases of confirmed Non-Academic Misconduct, sanctions may be applied independently or in combination as appropriate.
13.00 In determining an appropriate sanction as a result of confirmed Non-Academic Misconduct, consideration may be given to factors including:

(a) the seriousness and impact of the Respondent’s conduct on the University Community, a University Activity or the university’s reputation or property;
