PROCEDURES OF THE BOARD

The Board of Governors is constituted as described in Part VI, Sections 18 to 34 of the University Act (R.S. Chap 468). Section 26 (1-3) provides details for meetings of the Board.

1. ELECTION OF CHAIR AND VICE CHAIR

1.1 The Chair of the Board shall be elected annually, from among the members appointed by the Lieutenant Governor in Council, at the last statutory meeting before the summer recess.

1.2 The Vice-Chair of the Board shall be elected annually, from among the members appointed by the Lieutenant Governor in Council, at the last meeting before the summer recess. The Vice-Chair becomes Acting Chair in the absence of the Chair.

1.3 Upon request of at least one (1) Board Member at the meeting, the elections referred to in 1.1 and 1.2 will be held by secret ballot.

2. CHAIR

2.1 The Chair shall recommend to the Board the committees necessary for the effective functioning of the Board. (See Section 27(2)(c) University Act.)

2.2 The Chair shall appoint the chairs and the Board members on each committee of the Board annually one month before the first fall meeting. The Chair will consider Board members areas of interest and the need for broad representation when making these appointments.

2.3 In the event of the Chair resigning or being unable to fulfill the duties of Chair, the Vice-Chair will assume the role of Chair.

2.4 Upon the Vice-Chair becoming Chair under 2.3 the Board shall hold an election for a Chair and Vice-Chair as soon as it is practical to do so.

3. MEETINGS

3.1 Meetings of the Board will be held in accordance with Section 26(1) of the University Act.

3.2 The time and place of meetings will be established by the Chair.

3.3 The Secretary shall prepare the agenda of Board meetings. In the preparation of the agenda, the Secretary will consult with the Chair and the President.

3.4 Meetings of the Board shall be open except for those items which the Chair or the Board shall determine to consider in "in camera" meetings.

3.5 The agenda for Board meetings will close at noon fifteen (15) days before the Board meets.

3.6 The draft Board agenda, Committee agenda, and documents will be delivered to Board members one week before the Board Committee meetings. The final Board agenda shall be tabled at the Board meeting.
3.7 Board materials for consideration in the closed session must be treated with confidentiality until the Board determines otherwise.

3.8 The draft open agenda along with the date of the committee meetings will be published seven (7) days prior to the meeting of the Board of Governors. Copies of the draft open agenda and open session docket will be sent to the Library, the presidents for the Faculty Association, unions, and students’ societies when the agenda is published.

3.9 No cameras, recording devices or electronic communications equipment shall be used without the prior consent of the Chair.

3.10 Eight members of the Board shall constitute a quorum for transactions of the Board. (See Section 26(2) University Act)

3.11 The chair of a Board committee will report on the committee’s activities and present its recommendations to the Board.

3.12 The Board Chair has the same right of voting as the other members of the Board, and, in the case of an equality of votes for and against a motion, the question is resolved in the negative, and the Chair shall so declare. (See Section 26(3) University Act)

3.13 The Chair will formally announce the outcome of each vote and this outcome will be recorded in the summary record. Any member of the Board may ask that the vote count or the member’s individual vote or abstention be recorded in the summary record.

3.14 Attendance by proxy or vote by proxy is not permitted.

3.15 No motions or issues for discussion may be brought forward at a regular Board or Board committee meeting unless the matter is on the agenda. A member must give notice of motion or an outline of the discussion topic in writing not less than fifteen (15) days prior to a future Board meeting. Such notice will be given to the Secretary of the Board. The Secretary in consultation with the Chair of the Board shall refer the motion to the appropriate Board Committee. Matters brought before the Board will be referred to the appropriate Board Committee prior to full discussion at a Board meeting, unless the Board determines otherwise. Emergent matters may be raised by Board members in consultation with the Chair. Unless agreed to otherwise such items will normally be discussed at the closed session of the Board. Board members may raise policy items for discussion during a committee meeting.

3.16 At the end of each closed session of the Board, a question period limited to 10 minutes will be scheduled. A member of the Board may deliver a written question to the Secretary before any Board meeting addressed to either the President or the Vice-Presidents relating to issues within the Board’s mandate. The intent and purpose of the Question Period is to provide information to Board members, and should not be generally used as an opportunity to solicit opinions, to pose highly speculative questions, or to request information which is readily available through other sources or deals with operational matters. Each question should be capable of standing on its own, and supplementary questions should only be posed during the Question Period once the respondent has replied to the original question.
3.17 Normally all matters coming to the Board from the University administration will be presented to the Board by the President. In exceptional circumstances other senior members of the University administration may approach the Chair to bring forward matters for consideration. At the discretion of the Chair, such matters may be added to an agenda.

3.18 With the consent of the Chair, staff members as designated by the President may be invited to attend meetings of the Board.

3.19 The Chair may invite individuals to attend meetings of the Board.

3.20 At the discretion of the Chair, a resolution may be voted upon by ballot conducted by fax or e-mail. In this case, to be adopted, a resolution must receive affirmative votes of at least a majority of those eligible to vote. A resolution adopted by this method will be deemed to have been passed at a validly constituted meeting of the Board and will be reported at its next scheduled meeting.

3.21 Under exceptional circumstances and only with the consent of the chair – and subject to logistical constraints – a board member may participate in a meeting by telephone, videoconference or other secure means of communication that enables him or her to communicate with other participants in the meeting simultaneously and instantaneously. A member participating in a meeting by such means will be deemed to be present at the meeting.

4. DUTIES

4.1 Members of the Board of Governors must carry out their functions with integrity, independence, good faith, and prudence of a reasonable individual.

4.2 Each member of the Board has a duty with other Board members to act in the best interests of the University (See Section 19.1 University Act). Each member, no matter how he or she comes to be a member, has a responsibility only to the University. This is a public responsibility because the University is a public body. Any member, once appointed or elected, must function as a member of the Board and not as a spokesperson for a constituency.

4.3 The responsibilities of members of the Board of Governors are described in the Statement of the Responsibilities of the Board of Governors and its Members.

4.4 The Board may, upon a resolution passed by the vote of at least 2/3 majority of the members of the board, recommend that the Lieutenant Governor in Council remove a member of the Board from office for cause.

5. CONFLICT OF INTEREST AND CONFIDENTIALITY

5.1 The Board of Governors of the University has a variety of functions to perform under the University Act. The composition of this Board is complex, and it is possible that conflict of duty or interest may arise in the case of any member of the Board.

A conflict of interest arises when a Board member exercises an official power or performs an official duty or function and at the same time, knows that in the performance of this duty or function or in the exercise of power there is the
opportunity to further a private interest. Further, there is an apparent conflict of interest when there is a reasonable perception that the Board member’s ability to exercise an official power or perform an official duty or function will be or was affected by a private interest.

5.2 A Board member must make full disclosure of all real, potential and apparent conflicts of interest annually. If the Board member becomes aware during the year of a conflict of interest or an apparent conflict of interest, she or he must declare that conflict immediately in writing.

5.3 After disclosing the conflict, the Board member

i) may seek the Chair’s permission to address the matter briefly, before absenting himself or herself from the discussion and the vote;
ii) must not take part in the discussion of the matter or vote on any questions in respect of the matter. However, the member may be counted in the quorum present for the meeting;
iii) if the meeting is open, may remain in the room, but shall not take part in that portion of the meeting during which the matter giving rise to the conflict of interest is under discussion, and shall leave the room prior to any vote on the matter giving rise to the conflict;
iv) must, if the meeting is closed, leave the meeting and not return until all discussion and voting with respect to the matter giving rise to the conflict is completed;
v) must not attempt, in any way or at any time, to influence the discussion or the voting of the Board on any question relating to the matter giving rise to the conflict of interest.

5.4 With the exception of matters potentially affecting a Board member’s terms of employment, voting on matters which will have an effect on a broad group (students, staff, faculty) by a member of that group is in general not a conflict of interest. For example, student members of the Board may vote on issues dealing with tuition fees. If a Board member is in doubt about whether he or she or another member of the Board is or may be in conflict of interest, the Board member should discuss the matter with the Chair. The Chair may rule a member to be in conflict of interest with an issue before the Board.

5.5 A Board member is expected to maintain the confidentiality of Board deliberations both in committee and during closed meetings and of documents considered in the closed meetings forever. Documents to be considered in the open session are released in conformity with paragraphs 3.7 and 3.8.

5.6 A Board member who breaches confidentiality or the Board’s trust with regard to conflict of interest shall be subject to sanction by the Chair up to and including a request for the member’s resignation. Other sanctions may include the member being excluded from the committee meetings and receiving Board documents in conformity with the public release of those documents for the remainder of the academic year.

5.7 The ruling of the Chair on a conflict of interest or breach of confidentiality may be appealed to the Board of Governors. A majority vote of the Board members can overturn the decision of the Chair.
5.8 Board members must annually sign a statement disclosing any real, potential or apparent conflicts of interest and acknowledging that they have read and understood the Board procedures on conflict of interest.

6. EXECUTIVE AND GOVERNANCE COMMITTEE

6.1 The Executive and Governance Committee shall consist of the Chair of the Board as Chair, Vice-Chair, Chancellor, President, the Chairs of each of the standing committees of the Board, and one elected member appointed by the Board Chair.

6.2 The Executive and Governance Committee shall have such powers as given to it by the Board of Governors and shall report back to the Board on the action taken in the exercise of such powers.

6.3 The Executive and Governance Committee in consultation with the Compensation and Review Committee will consider and act upon recommendations regarding performance reviews, remuneration and terms of employment of the Vice-Presidents and the President of the University.

6.4 If matters arise between meetings which require Board attention, the Chair may call a meeting of the Executive and Governance Committee to deal with such matters. The Chair will then report to the Board at its next scheduled meeting. Normally, if such a meeting is called, members of the Board of Governors not on the Executive and Governance Committee shall be invited to attend if available, and shall receive the same materials as members of the Executive and Governance Committee.

6.5 The Executive and Governance Committee shall review the Procedures of the Board and the document on Responsibilities of the Board of Governors and its members prior to the first statutory meeting in the fall and bring them forward for approval.

6.6 The Executive and Governance Committee shall recommend to the Board an appropriate evaluation process for the Board and its committees, orientation process for new members, and undertake such other corporate governance initiatives as the Chair or Board deem desirable.

6.7 The Executive and Governance Committee shall review the needs assessment for potential governors, taking into consideration the Board’s short-term needs and long-term plans and shall advise the President and Chair on the criteria for new governors and potential candidates for recommendation to the government.

6.8 The Committee makes recommendations to the Board of nominations for appointment to those external bodies where the appointments require the approval of the Board of Governors.

6.9 The Executive and Governance Committee considers and makes recommendations to the Board on matters related to the university’s controlled entities.
7. FINANCE COMMITTEE

7.1 This Committee is charged with consideration of all matters regarding finance at the University.

7.2 This Committee shall deal with matters pertaining to the final agreements on remuneration and terms of employment of faculty and staff within the University as related to budget; to fees for university activities as defined by Section 27(1) of the University Act; to approval of the budget framework; to amendments to the pension plans; to decisions regarding the use of University funds for major capital projects.

7.3 Motions resulting from deliberations of this Committee will be brought forward by the Chair to the Board for further consideration. The Committee shall consider which items on its agenda should be placed on the closed agenda and shall so inform the Secretary.

8. UNIVERSITY OPERATIONS AND FACILITIES COMMITTEE

8.1 The Committee examines issues and policies which affect students and student services, excluding purely academic issues and policies; policies dealing with personnel (e.g. equity, evolution of faculty staffing), research administration, and administrative procedures, as well as planning.

8.2 This Committee will deal with decisions regarding new buildings including the program of requirements, the appointment of the prime consultant, the preliminary design, the working drawings and the tender when within the budget for the building. (Note: Approval of the Finance Committee is required for the use of University funds for major capital projects.)

8.3 This Committee considers for approval the appointment, reappointment, and removal of the following officers of the University upon the recommendation of the President: the Vice Presidents and University Secretary. The Committee shall receive annually reports on staffing that give an overview of all other appointments.

8.4 Motions and reports resulting from deliberations of this Committee will be brought forward by the Chair to the Board for further consideration. The Committee shall consider which items on its agenda should be placed on the closed agenda and shall so inform the Secretary.
9. **AUDIT COMMITTEE**
