4.01 The Chair of the Committee shall be the Chair of the Board of Governors.

4.02 The Secretary of the Committee shall be the Secretary of the Board of Governors.

4.03 Where possible, alternates will be identified who may be asked to serve when a member needs to resign from the committee before it begins to interview candidates. Alternates cannot be added after this point as each member of the committee must be in a position to weigh the merits of each candidate prior to making a recommendation.

5.00 Deliberations of the Committee are confidential. The Committee shall keep a confidential summary record of its decisions and actions. Deliberations of the Committee concerning candidates including the incumbent shall not be recorded.

5.01 Only the Chair (or designate) may speak on behalf of the Committee.

5.02 A member of the Committee who has breached confidentiality shall be subject to sanction by the Chair, potentially including dismissal from the committee and forfeiture of constituency representation. Members of the Committee should respond to general questions on the Committee's progress by referencing procedural decisions of the Committee as recorded in the confidential summary record. At no point is it appropriate to reference opinions voiced at meetings.

6.00 Documentation received by the Committee during its deliberations is confidential. Personal information is managed and protected in accordance with the Freedom of Information and Protection of Privacy Act.

7.00 Members of the Committee shall be responsible for seeking information from their constituencies and keeping them advised of the process.

8.00 The Committee shall make regular reports on its progress to Senate and the Board of Governors.

9.00 The Committee shall discuss its Terms of Reference as approved by the Board of Governors.

10.00 The Committee shall acquaint itself with the requirements of the presidency through discussion and by meeting with the incumbent and others as needed and shall then establish criteria on which the candidates will be judged.

11.00 The Committee Chair shall determine if the incumbent wishes a further term; if so, the Committee shall proceed as outlined under section 14.00 of these Procedures.
12.00 After the appointment or reappointment is made, the Committee shall meet to evaluate the process and file a report with Senate and the Board of Governors, with recommendations for revisions to these procedures if necessary.

**Search Procedures of the Committee**

13.00 The Committee shall proceed as follows:

**13.01** During the search and selection process, the Committee should acquaint itself with human rights requirements and university equity and diversity policies, include equity issues in its consideration of criteria for the position, and take steps to widen the pool of qualified applicants to include women, persons with disabilities, visible minorities, aboriginal people, people of all sexual orientations and genders, and others who may contribute to the further diversification of the University. Postings for the positions, both internal and external shall include the current equity statement. The Committee should familiarize itself with best practices for conducting fair and equitable search processes.

13.02 If an incumbent President does not wish to be considered, or if after completing the review under section 14.00 the Committee determines not to recommend the incumbent for a further term, the Committee shall invite members of the university community to suggest possible candidates and shall advertise the position. The Committee shall decide whether to engage a search consultant to assist in the search.

13.03 The Committee shall not normally give any substantive consideration to the suitability of any person for the position unless the Committee shall have received clear evidence that that person has agreed to be considered as a candidate by the Committee.

13.04 The Committee shall gather relevant information about the candidates and normally shall develop a long short list and conduct confidential interviews with these candidates as well as check references and other sources of information.

13.05 The Committee shall then select a short list of not more than four candidates. It shall arrange for those candidates to meet with the Board of Governors, Vice Presidents, Deans and University Librarian, Associate Vice-Presidents and Chief Information Officer, and any others deemed appropriate by the Committee in light of the candidates’ schedules, the requirement for confidentiality, and any need for additional input to inform the Committee’s deliberations.

13.06 In the case of an external candidate, the Committee shall consult the relevant departmental Appointments Committee and the Faculty Advisory Committee about the proposed academic appointment.

13.07 The Chair (or designate) or the search consultant shall contact references in confidence. Information provided in references shall be summarized and forwarded to the Committee in anonymous form, unless the Chair decides to
seek one or more references' permission to attribute their comments to them by name or position when the comments are shared in confidence with the Committee.

13.08 The Committee shall reach a decision on a recommendation to the Board of Governors by simple majority vote.

13.09 The Committee shall meet with the Board of Governors and present its report. The report shall contain a recommendation for action and shall include a rationale for the Committee's choice.

Reappointment Procedures of the Committee

14.00 If, after reviewing the criteria established for the position, the incumbent elects to stand for a consecutive term, the Committee shall determine whether or not to recommend the appointment by performing the following steps:

14.01 The past performance of the incumbent shall be assessed in the context of the future direction of the institution. Material to be examined by the Committee shall include:
- an updated curriculum vitae;
- the criteria established as part of the search process;
- the criteria and objectives established for the President at the time of the first appointment;
- the evaluations carried out by the Board of Governors;
- any goals and objectives set by the Board of Governors for the incumbent;
- references provided in accordance with section 14.07; and
- the results of consultation with individuals and constituency groups.

In addition, the incumbent shall be invited by the Committee to provide a self-assessment which should include a statement of past and projected stewardship in the context of the criteria established for continuation in the position.

14.02 When the incumbent advises the Committee of an intention to seek reappointment, the Committee shall determine the timing of secret ballots of the regular faculty and the regular staff on the acceptability of the incumbent for reappointment. The ballots may be conducted either prior to proceeding with the Presidential assessment or once the assessment has been completed. In either case, the Committee shall provide as much information as possible to allow for an informed opinion, including the criteria established under section 10.00, the incumbent's curriculum vitae, and other relevant documentation. The Committee shall remind those voting that the secret ballots are intended to help inform the Committee's recommendation and are not a ratification vote. The results for each of the two groups shall be reported in confidence to the Committee and to the incumbent. The incumbent will be given the option of making a public presentation to the university community prior to the Committee conducting the ballots.

14.03 Under normal circumstances, a review should take no longer than two months. During the period of the assessment, care must be taken by the Committee to
ensure that the ability of the incumbent to discharge the duties and responsibilities of the position is not undermined by the process. It should be carried out thoroughly, but expeditiously.

14.04 At a minimum, the incumbent must be advised of: the measures to be used under section 14.01 for assessment; the individuals and constituency groups the Committee plans to consult; and the schedule for each stage of the process.

14.05 The Committee shall gather relevant information about the incumbent from the individuals reporting to the incumbent as well as constituency groups on campus; also, the campus and general community should be encouraged to approach members of the Committee in confidence or submit written assessments of the incumbent for review by the Committee. All information gathered or received should be solicited in the context of the criteria established for continuation in the position.

14.06 Information collected under section 14.05 shall be given to the Secretary of the Committee for dissemination to the Committee. Submissions will normally be forwarded to the Committee with the author’s name. In exceptional circumstances, an author’s name may be withheld if he or she so requests and the Chair determines that there are appropriate grounds for doing so.

14.07 The Chair (or designate) shall contact references in confidence from a reference list developed in consultation with the incumbent. Information provided in references shall be summarized and forwarded to the Committee in anonymous form, unless the Chair decides to seek one or more references’ permission to attribute their comments to them by name or position when the comments are shared in confidence with the Committee.

14.08 When all relevant information, including the result of the secret ballot, has been received, the Committee shall schedule an interview with the incumbent. Prior to the interview, the incumbent shall be given the results of the secret ballots.

14.09 The Committee shall review all evidence and reach a decision on a recommendation to the Board of Governors on reappointment by simple majority vote.

14.10 The Committee shall meet with the Board of Governors and present its report on the reappointment process. The report shall contain a recommendation for action and shall include a rationale for that recommendation. If the Board decides to offer reappointment to the incumbent and he or she accepts the reappointment, the results of the secret ballot shall be published.

Once the Board has approved the reappointment, and the incumbent has accepted, there shall be a meeting between the Chair of the Board, the Chancellor, and the President to discuss any issues arising from the reappointment process as they relate to the mandate for the next term.
