SENATE COMMITTEE ON ADMISSION, RE-REGISTRATION AND TRANSFER
TERMS OF REFERENCE

The Committee shall:

1. Inform itself about the work of the Office of the Registrar and advise on the granting of admission, re-registration and transfer of credit in such a way that consistency of policies is maintained and the office is enabled to carry out its duties fairly and expeditiously.

2. Rule on applications for undergraduate admission, re-registration and transfer of credit which are made under exceptional circumstances or special access categories as defined in the Calendar regulations adopted by the Senate from time to time. The Committee may delegate its authority to approve an admission or re-registration in such circumstances to the Office of the Registrar, but shall consider all cases which that Office does not find clearly acceptable.

3. Rule on appeals from undergraduate students regarding decisions made and the application of calendar regulations in the Office of the Registrar regarding admission, re-registration and transfer of credit.

4. After consultation with the Senate Committee on Academic Standards, recommend to the Senate regarding the appropriate policies and procedures to be used in granting admission, re-registration and transfer of credit to students. Recommendations regarding policies and procedures affecting graduate students will be made to the Committee by the Faculty of Graduate Studies.

5. Advise the Senate on any university regulation, procedure or practice related to admission, re-registration or transfer that in the view of the Committee needs review and revision.

7. Committee documentation and discussions regarding appeals shall be held in confidence.

8. The Faculty of Graduate Studies will rule on admission, re-registration and transfer appeals related to graduate students. 20. Dissatisfaction with University regulations, or disagreements concerning the evaluation of admissibility (e.g. calculation of g.p.a., questions regarding English proficiency) or failure to meet published deadlines will not constitute grounds for appeal.

21. An appeal is decided based on the written documentation provided and the appellant's academic record. There is no personal appearance by the appellant before the Committee.
22. The Committee will consider all the documentation presented and will make a final decision on the application. The decision may be appealed to the Senate Committee on Appeals only on the grounds of specific procedural error.
