**Territory & Installation Ceremony for President Kevin Hall
as Eighth President and Vice-Chancellor
of the University of Victoria**

September 28, 2021

As President and CEO of Life Sciences BC, I would like to congratulate Dr. Kevin Hall on his installation as the eighth President and Vice-Chancellor of the University of Victoria.

Life Sciences BC recognizes the important role that academic institutions play in driving progress in the life sciences sector. We are proud of our strong partnership with the University of Victoria, supporting scientific excellence and innovation for life sciences in the province. As an innovative and seasoned academic leader, you bring a wealth of experience and knowledge to the university; we look forward to continuing our collaboration.

Welcome and congratulations, Dr. Hall.

Sincerely,

Wendy Hurlburt
President and CEO
Life Sciences BC
