Program notes

Please ensure that you have read the How to Use the Program Planning Worksheets information page.

Course selection

The University strongly recommends that students in Year One do not take 300- or 400-level courses, as low grades will impact your graduating GPA.

Prerequisites

Refer to the course descriptions in the Academic Calendar to ensure that you are taking appropriate prerequisites each year for the courses you plan to take in the following year. Any prerequisites of note are listed under each year below.

Year One

Registration Notes: Check the course descriptions for any courses you plan to take this year to make sure you register for any required labs or tutorials.

Program Notes: FA 101 can be taken in year two.

Suggested Electives: The Academic Writing Requirement, if not yet satisfied, should be taken as an elective in First Year. Other suggested electives include courses in Anthropology, Fine Arts, English, Film Studies, French, Gender Studies, Geography, Germanic and Slavic Studies, Greek and Roman Studies, Hispanic and Italian Studies, History, Medieval Studies, Pacific and Asian Studies, Philosophy, and Visual Arts.

Additional Resources: Other information for first-year students can be found on the AHVS website (finearts.uvic.ca/historyinart). For academic advice, please contact the fine arts undergraduate academic advisor: fineartsadvisor@uvic.ca.

Year Two

Declaring a Program: Students should declare their program in year two with the fine arts academic advisor. Once you have declared a program you can access your degree evaluation (CAPP) report via the My page portal.

Program Notes: For a list of courses for each area of study, please refer to https://finearts.uvic.ca/historyinart/prospective_students/undergrad/_PDF/ AHVS_timing_major_areas_study_2017_18.pdf

Apply for Graduation: In your last year of study, you must submit an application for graduation to Records Services. For application deadlines and convocation details, see www.uvic.ca/graduation.

If your degree requirements are complete and you have applied to graduate, you may request a Degree Completion Letter from the Registrar’s Office.

Graduation Requirements: See How to Use the Program Planning Worksheets for more information.

Student responsibility

You are responsible for the completeness and accuracy of your registration and for determining the requirements of your program at UVic. Attend and submit work only for those courses in which you are registered.

Always read course descriptions before you register to determine if you have the necessary prerequisites, and pay attention to notes on mutually-exclusive and cross-listed courses (pairs of courses in which credit will be awarded for only one).
