Program Planning Worksheet

BACHELOR IN NURSING (BSN) 60 UNITS

Program: Nursing
Degree: BSN
Faculty: Human and Social Development

Required Courses: Years One and Two

The School of Nursing offers a program of studies leading to a BSN for registered nurses and for students continuing from our College-University Transfer BSN Program transfer partner sites. A current list of program transfer partner institutions is available from the School of Nursing website. Information is also available in the University of Victoria Calendar. For more information, please contact the School of Nursing directly.

Required Courses: Years Three and Four

Program Notes

Please refer to the University of Victoria Academic Calendar for complete lists of course selections. Although every attempt has been made to ensure that the information on this worksheet is accurate, in the case of any discrepancy the Academic Calendar must be considered the definitive authority.

A non-nursing elective may be a 100- to 400-level university transferrable course in any discipline other than nursing. A nursing elective may be a 300- or 400-level university transferrable nursing elective but does not replace the 4th year nursing elective required for BSN graduation which must be completed at the University of Victoria. This elective BSN program requirement is waived on admission for students with a previous degree from an accredited post-secondary educational institution.

400-level nursing course offered at UVic (exceptions will only be made for students accepted into the Emergency Department (ED) program in Victoria or in rural partner sites upon approval of the Director or designate)

Applying for Graduation: In your last year of study, you must submit an application for graduation to Records Services. For application deadlines and convocation details, see www.uvic.ca/graduation.

If your degree requirements are complete, but you have not yet graduated, you may request a Degree Completion Letter from the Registrar's Office.

Graduation Requirements: See How to Use the Program Planning Worksheets for more information.

Student responsibility

You are responsible for the completeness and accuracy of your registration and for determining the requirements of your program at UVic. Attend and submit work only for those courses in which you are registered.

Always read course descriptions before you register to determine if you have the necessary prerequisites, and pay attention to notes on mutually-exclusive and cross-listed courses (pairs of courses in which credit will be awarded for only one).
