### Program & Course Notes
Consult the program entry in the Academic Calendar for important details. Permission of the department and/or grade requirements may apply. It is your responsibility to ensure you are informed about all supplemental information related to courses, as they apply to your program, including prerequisites.

### Faculty & University Requirements
In addition to the listed courses, you must satisfy all degree requirements for the Faculty of Fine Arts. Within the minimum 60 units, 30 units must be UVic courses, 21 units must be upper-level (300/400-level) courses, and 18 of those 21 units must be taken at UVic.

### Academic Writing Requirement (AWR)
If you have not already satisfied UVic’s Academic Writing Requirement (AWR), you will need to complete one of ATWP 135, ENGL 146, ENGL 147, or another approved course. Some programs require these courses in addition to the AWR.

### Declaring Your Program
Students are normally expected to request to declare their academic program at the end of first or second year. Declared students have access to a CAPP report for tracking graduation requirements.
