PRESIDENT'S MESSAGE

Dear Colleagues,

Although we are not able to gather together in person this fall, I am pleased to have the opportunity to offer you my congratulations on achieving this significant landmark in your career. These challenging times remind me that people are at the heart of our university and are our greatest strength. You have helped to build UVic into one of Canada's finest universities that is recognized for the quality of its programs and for its impact on our local and global communities. Even in these uncertain times, our university is in a very strong position, with great momentum moving us forward into the next decade, thanks to all of your hard work and your commitment. Once again, thank you for your years of dedicated service and for your many valuable contributions to UVic and to society. I wish you every success in the years to come.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Jamie Cassels". The signature is fluid and cursive, with a prominent initial "J" and "C".
