

## HIRING CO-OP STUDENTS

# Commerce

At UVic, we know practical experience is crucial in the business world. That's why all students from Peter B. Gustavson School of Business participate in co-op.

You can hire UVic business co-op students for work terms beginning in January, May and September. Students are skilled, enthusiastic and ready to work for organizations like yours!

# How our students stand out

## Student skills and training

Employers tell us our students are well-rounded and “know how to think”. We educate students to think differently, act responsibly and perceive the world with a global mindset.

Commerce (BCom) students specialize in three high-demand areas: entrepreneurship, international business and services management. They complete core courses in finance, accounting, marketing, operations, human resources, information systems, and global business and society.

## On the job, our students can put their skills to work for you in:

- + Business plan development
- + Market research
- + Communications and translation
- + Accounting
- + Human resources
- + Customer service
- + Public relations and marketing
- + Administration
- + Analysis and report writing
- + Project coordination
- + Financial analysis
- + Event planning
- + Data management
- + Website design
- + Supply chain/procurement
- + Sustainability initiatives
- + Cross-cultural awareness
