

Work for Canadian employers

INFORMATION FOR INTERNATIONAL STUDENTS

If you've come from outside Canada to study at UVic, gaining work experience here will help you develop intercultural competencies, make valuable connections and enhance your employability.

How can UVic Co-op and Career help?

Join a co-op program and you can apply to co-op positions with Canadian and international employers. You'll need a valid study permit, a Social Insurance Number, and must have been a full-time student for at least 6 of the last 12 months.

You'll receive support as you search for jobs and prepare for the workplace. You can also participate in our workshops to help you navigate your career in Canada.
