

# Go abroad with co-op

INFORMATION FOR ALL STUDENTS

Once you've joined co-op, consider an international work term. You'll develop intercultural skills, earn money while you travel and enhance your employability.

## How can UVic Co-op and Career help?

We're your dedicated career development support system—we'll help you connect with employers abroad, plus support you every step of the way with:

- + intercultural training to help you before, during and after your work term
- + guidance on what you need to do before you leave
- + funding opportunities
- + support during the work term
- + 24/7 disaster monitoring and response
