1. Approval of Agenda

Approved.

2. Approval of Minutes

Approved.

3. Business Arising

3.1 Safety training for students

Safety training will be offered by MECH, ECE, and CIVE during student orientation.

4. OHSE Updates

- The OHSE website with the new design has been launched. Everyone is encouraged to check out the site and email OHSE, if there are any issues.
- Paraskevi is coordinating the fume hood certifications. The contractor (Cynthia) will be visiting the labs on July 7, 2025.
- Labs in the Ian Stewart building and CIVE labs will be visited probably in August.

5. Accident/Incident, Near-Miss or Hazard Report Review

None.

6. Campus Security Update

- There are now harm reduction supplies (specifically safer sex supplies and safe drug use information brochures) available in the CSEC Safehaven. This was done in response to requests from students at the recent Student Assembly on campus.
- There are training sessions available on Learning Central for active threat and emergency preparedness.
- Convocation is coming up the week of June 9th. There will be continued enhanced security measures in place such as controlled access to the JCC building and a marked “convocation zone” outside the building to address disruptions.
- I am using my primary email address (ajeddy@uvic.ca) now instead of my role based.

7. Other Business

7.1 TVs in the ECS lobby storage

Action: Dan will take care of the disposal of the TVs stored in the ECS lobby, as the Faculty no longer has an Operations Manager.
