

REQUEST FOR APPROVAL OF A NEW NATURAL SCIENCE COURSE

The basic (natural) sciences component of the curriculum must include elements of physics and chemistry; elements of life sciences and earth sciences may also be included in this category. These subjects are intended to impart an understanding of natural phenomena and relationships through the use of analytical and/or experimental techniques.

Please use this form only to propose a course that is not on the Natural Science Course List.

Submit this request to your Academic Advisor or ecs@uvic.ca. **The calendar description & course syllabus must be attached.**
