

**REQUEST FOR APPROVAL OF A NEW NATURAL SCIENCE COURSE**

The basic (natural) sciences component of the curriculum must include elements of physics and chemistry; elements of life sciences and earth sciences may also be included in this category. These subjects are intended to impart an understanding of natural phenomena and relationships through the use of analytical and/or experimental techniques.

Please use this form only to propose a course that is not on the Natural Science Course List.

Submit this request to your Academic Advisor. **The calendar description and course syllabus must be attached.**

Approved Natural Science Course Lists for both Electrical & Computer Engineering and Software Engineering available at: [uvic.ca/ecs/undergraduate/advising/planning](http://uvic.ca/ecs/undergraduate/advising/planning)

**Part 1: To be completed by student**

Request date: _____
Student name: _____ Student #: V00_____
Email address: _____
Course to be proposed as a Natural Science elective: _____
Clarification of requested course (ie. already taken, future registration, via Letter of Permission, etc.): _____
Student Signature: _____

**Part 2: To be completed by Academic Advisor**

Academic Advisor Comments: _____
Academic Advisor Signature: _____ Date: _____

**Part 3: To be completed by Associate Dean UG Programs**
