ECE review of science electives is on-going; new requests must meet the below CEAB criteria and may be submitted by email request to Alejandra Montenegro, Academic Advisor- [engradv2@uvic.ca](mailto:engradv2@uvic.ca)

The basic (natural) sciences component of the curriculum must include elements of physics and chemistry; elements of life sciences and earth sciences may also be included in this category. These subjects are intended to impart an understanding of natural phenomena and relationships through the use of analytical and/or experimental techniques.
