Sessional Lecturer posting for CUPE 4163 (Component 3)
Department of Civil Engineering
Faculty of Engineering and Computer Science

CIVE Courses – Spring and Summer 2026 Opportunity

Term of Appointment: January 1 – April 30, 2026 (Spring term) and May 1 – August 31, 2026 (Summer term)

The Department of Civil Engineering is seeking a qualified individual to develop and teach the following course for the MEng Industrial Ecology and MEng Building Envelopes and Structures programs in the Spring and Summer 2026 academic terms.

[CIVE 571 - Engineering Engagement in Projects and Communities](#)

Description

Case studies in building engineering projects, the role of engineers in interdisciplinary building project teams, sustainability and decarbonization in the construction industry, professionalism and equity, infrastructure in indigenous communities, community engagement.

Units: 1.5 (Lectures 3 hours/week)

Required Qualification and Experience

- The successful individual will have a Ph.D. or a Master's degree and must have relevant knowledge and experience with the subject matter. An equivalent combination of education and experience may be considered.
- Preference will be given to applicants who are registered as professional engineers (P.Eng.)
- Prior teaching experience at a university level is an asset.

Salary is commensurate with the qualifications and follows the Sessional Lecturer Salary Grid in the [Collective Agreement](#) between the University of Victoria and CUPE Local 4163 (Component 3).

The availability of this position is subject to funding and enrollment criteria. The University of Victoria reserves the right to fill additional teaching assignments from the pool of applicants for this posting.

UVic is committed to upholding the values of equity, diversity, and inclusion in our living, learning and work environments. In pursuit of our values, we seek members who will work respectfully and constructively with differences and across levels of power. We actively encourage applications from members of [groups experiencing barriers to equity](#). Read our full equity statement here: www.uvic.ca/equitystatement

To apply: Please submit an expression of interest (e.g. cover letter) Attention: Dr. Thomas Froese, Department of Civil Engineering, together with a recent CV via email to civeadmin@uvic.ca.

Application deadline: October 24, 2025.

The anticipated date by which employment decisions will be made is November 7, 2025.
