HEALTH COVERAGE & INSURANCE

The cost of health care in Canada is very high for those who do not have health insurance. Without coverage, you could be denied treatment or pay thousands of dollars each day for medical services.

As a result, in order to ensure medical issues do not cause financial difficulty or compromise academic progress, all UVic students are required to have comprehensive coverage for the entire duration of their studies.

Further health insurance information can be found below and at the following link:

<https://www.uvic.ca/international/inbound-students/living-canada/health-insurance/index.php>.

The Guard.me@UVic Plan:

The Guard.me@UVic plan provides emergency medical insurance coverage for international students who are new to UVic. This plan covers required medical services to address new and unexpected illness or injury. Most new international students are automatically enrolled in the Guard.me@UVic plan upon registration at UVic.

Further information may be found at the following link: <https://www.uvic.ca/international/inbound-students/living-canada/health-insurance/index.php>

Please contact International Student Services with any questions by email issinfo@uvic.ca or by phone at 250-721-6361.

Graduate Student's Society (GSS) - Extended Health Care and Dental Insurance Plan:

The Graduate Students' Society (GSS) health and dental plan provides extended coverage for graduate students. Most students are automatically enrolled in the appropriate plan upon registration at UVic. All new students are encouraged to contact the GSS to ensure they have opted in or out of the Extended Health and Dental Plans.

For information on the GSS Extended Health and Dental Insurance Plan, please visit the GSS website:

<https://gss.uvic.ca/health-dental/basic-information/>

Location: Halpern Centre. Room 102

Email: gsoc@uvic.ca

The BC Medical Services Plan:

The British Columbia (BC) Medical Services Plan (MSP) covers required medical services provided by physicians, specialists, diagnostic facilities, laboratory facilities, and hospitals. If you intend to stay in British Columbia (BC) for fewer than six months, you are not eligible for the BC Medical Services Plan (MSP). All other international students must submit an application for enrolment when they arrive in BC.

The application for enrolment is available [online](#). You will receive in the mail a [Non-Photo BC Services Card](#) with a personal health number (PHN) which will allow you to access required medical services.

Visit the BC MSP [website](#) for information about benefits.

CHEQUES

Students will be notified, by email, if a cheque arrives in the department and is ready for pick-up.

DIRECT DEPOSIT

Direct deposit is the encouraged method of payment for all monies from the University of Victoria. Students should set up direct deposit, with a Canadian bank account, via their Online Tools under the self-services tab.

EXTERNAL AND NATIONAL AWARDS

There are a number of national and provincial granting agencies that annually fund graduate students and their research. These are merit-based fellowships, which must be applied for individually. Most of the agencies have specific application guidelines and deadlines. A few examples of the awards are, Vanier Canada Graduate Scholarship, NSERC Scholarships, etc. Please refer to the funding agencies guidelines for specific criteria.

For more information on external awards and fellowships, please refer to the Faculty of Graduate Studies [external scholarships](#) page.

BURSARIES

Bursaries are non-repayable awards offered based on financial need and reasonable academic standing. The Office of Student Awards and Financial Aid administer graduate bursaries. A few examples of bursaries available are University of Victoria Graduate Students' Society Child Care Bursary, Ronald Kitchener Bursary, Donald and Evelyn MacLean Fund, etc.

For more information on bursary applications and eligibility criteria please refer to the information available on the Faculty of Graduate Studies [bursaries page](#).

HOUSING

Housing in Victoria may consist of homestay, on-campus housing or off-campus housing. In deciding which option is best for you it is recommend that you consider cost, convenience, and your lifestyle. You may find further information by visiting the [Housing & Finance](#) and [Living in Canada pages](#)

TEACHING ASSISTANT POSITIONS

IMPORTANT: If you are considering Teaching Assistant (TA) opportunities in the Department of Electrical and Computer Engineering (ECE) your study permit must explicitly state as a condition or remark that you may accept employment on or off campus. If such explicit condition/remark is missing, please contact the Department Office to remedy the situation.

TA appointments are assigned on a term-by-term basis. TA appointment priority are governed by the Appointment Priority Policy for Specialist Instructional positions ([Canadian Union of Public Employees 4163](#)) as follows:

Priority Group	Level
Graduate students previously appointed to bargaining unit positions as incoming students, and who will be in their 2 nd year of a Master's program or the 2 nd or 3 rd year of a Ph.D. program	1
Master's Year 1 and Ph.D. Year 1	2
Ph.D. Year 2, 3, 4 or 5	3
Other graduate students (in other years, or not previously appointed, or from other departments)	4
Undergraduates	5
Others/non-students	6

A list of TA positions is posted approximately 10 weeks prior to the beginning of each term. The application deadline is approximately 5 weeks prior to the beginning of each term. Once you receive the official offer letter from Graduate Admissions and Records, you can apply for TA positions by going to the ECE Department website at:

<https://www.uvic.ca/engineering/ece/current/graduate/ta-positions/index.php>

Please note the following:

- All new graduate students or those who have not been appointed as TA before in the Faculty, are required to attend the following workshops within the first year of study:
 - *Function and Responsibility of TA*
 - *Sexualized Violence Prevention*
- All new graduate students or those who have not been appointed as TA before in the Faculty, and to whom English is a second language, are required to attend the additional workshop below within the first year of study:
 - *Challenges of being an International TA*
- Based on TA evaluation and at the discretion of the Awards Committee, a graduate student with a poor evaluation will be notified and may not be selected for TA appointment until he/she has attended all required workshops. Workshop schedules will be announced by email in the fall and spring term of each year.
- Be sure to apply only for positions for your entry term. Regretfully, if your recommendation for admission was late in coming, the TA application deadline may have passed. If so, please apply again the next term.
- Because there are usually more applicants than positions available, having applied for positions do not necessarily mean that you will be appointed as a TA.
- Students are welcome to apply for TA positions in other departments such as Computer Science, Mathematics, etc. If one is able to obtain a position from another department, your priority with ECE may be lower than outlined in the table above to allow as many students as possible to gain some financial support.
- Decisions on TA appointments will not be made until two to three weeks before the beginning of a term and may extend to the first week of a term.
