Calendar - September 2022

PLEASE NOTE: students are responsible for the completeness and accuracy of their registrations and for the completion of all program requirements as specified in the [University of Victoria Academic Calendar](#); compliance with pre-requisite and co-requisite requirements; resolving timetable conflicts and scheduling issues that may result from following a nonstandard schedule (off-stream offerings can be subject to change); understanding Calendar/timetable schedule release dates, registration dates and academic deadlines; planning to submit the application for graduation when entering last session in the program; and reviewing CAPP Report (degree evaluation). Any errors or omissions on this document do not absolve students from having to complete all of the program requirements. Review updated PSW each term for any changes.
