

### A. Hugh Salmond Memorial Scholarship in Elementary Science Education

One or more scholarships are awarded to students entering their final year of a program in elementary education with a view to excellence in science education and or science education leadership. Student(s) must have demonstrated excellent teaching performance and the ability to use creative approaches to teaching as documented in practica reports, school visits, and planning.

Approval of the recipient(s) will be made by the Senate Committee on Awards upon the recommendation of the Faculty of Education.

**Check the following boxes that are applicable:**

- I am entering my final year of a program in elementary education with a view to excellence in science education and or science education leadership.
- I have attached evidence of excellent teaching performance and the ability to use creative approaches to teaching (i.e., practica reports).

**Incomplete applications will not be considered.**

**Personal Information**

Surname	Preferred first name	Second name or initial
