Section B: Another Teachable Subject Area

Another approved teachable subject area must be combined with this one.

Theatre is not taught in every BC secondary school so it may not always be possible to find a suitable practicum placement. In that event, practicum placement will be made based on your other teachable subject area. Please circle your other teachable subject area from the following options:

art, biology, chemistry, English, French, general science, **math[‡]**, music, physical & health education, physics, or social studies.

*** If math is your other teachable subject area**, please use the admission requirements in Section A of the math pre-admission worksheet. Consult Education Advising before considering using the admission requirements in Section B of the math pre-admission worksheet.

COURSE NOTES:

- 1.5 units is needed on each numbered line. A 1.5-unit course (equivalent to 3-4 credits at many colleges/universities) meets for at least 3 lecture hours per week for 13 weeks (one term).
- See [calendar course descriptions](#) for prerequisites and check the [course timetable](#) for enrolment restrictions. Many THEA courses have enrolment restrictions allowing only theatre program students to register. To request permission to register as a non-theatre program student in THEA courses which have enrolment restrictions or if you have questions about course prerequisites, please contact the Theatre Department at thea@uvic.ca. (THEA 101A, 101B, 102, 122, 132A, 132B are examples of THEA courses not normally reserved for theatre program students.)
