DISTINGUISHED EDUCATION ALUMNI SCHOLARSHIP

A scholarship is awarded to a student in the Faculty of Education who is practising interdisciplinary or student-centred, inquiry-based learning in a way that is inclusive of all students at the K-12 level, including those experiencing mental health challenges. Three letters of reference are required from Faculty members, members of the community, or peers describing the applicant's university or community-based contributions that fit the criteria.

Check the following boxes that are applicable:

☐ I have enclosed a letter of application.

☐ I have enclosed three letters of reference from Faculty members, members of the community, or peers describing my university or community-based contributions.

Incomplete applications will not be considered.
