Check your status and checklist

Log into My UVic Application. Use the checklist to see that all transcripts and supporting documents have been received.

Tips!
- If you’re attending the same institution (other than UVic) in the January to April 2018 term as you are in the fall 2017 term, you’ll see at least two entries for that institution on the checklist: one with a February 28 deadline and another with a May 31 deadline.
- It can take two – three weeks from the time a transcript, or supporting document, is received at UVic for it to be recorded on the checklist.
- Reference forms are entered on the checklist as reference letters.

Application status updates

Education Advising will write to you between February and August.

February – April: to confirm your eligibility for admission, or to explain why you aren’t eligible for admission, or to cancel your application if it’s incomplete

May – June 15: to make an offer of admission once second term grades are available, or to tell you that you’ve been placed on a waitlist, or to explain why you aren’t eligible for admission

Selection
Eligible applicants will be ranked by their sessional GPA and selected to the program starting with the highest GPA. While the minimum admission average is 3.00 on a 9-point scale (UVic C+), admission is competitive and the actual admission cut-off may be higher.

Eligible applicants are those who have satisfied both academic and experience requirements. Refer to page three for information about the experience requirement. To satisfy the academic requirement, applicants need:
- 3.0 units (two half-year courses) in each of approved English, Canadian studies, mathematics and laboratory science, and
- competency in mathematics and written English, and
- a sessional GPA of 3.00 or higher (UVic C+). Please refer to the program website for more information about the admission GPA. The sessional GPA is based on a minimum of 12 units.

Please refer to the program website at www.uvic.ca/education/elementarycurriculum for more detailed information about these academic requirements, including the admission GPA.

July – August: to offer admission to an applicant on the waitlist, if a seat becomes available
