Step 3: Experience requirement by January 31

In light of restrictions due to COVID, for September 2022 entry we have reduced the number of required hours of experience. You'll need a minimum of 50 hours of practical experience working with children or youth at the age level you wish to teach (ages 5 – 13 for elementary). These hours can be in either one or two settings, and can be online, face to face, or a combination of both. Experiences listed must be within the past four years, and some must be within the past two. Experience in international settings is valuable, but we also require at least 25 hours of experience in domestic settings. You must have completed these hours **prior** to the January 31 application deadline. Hours that may occur in the future will not be considered. In the event of a GPA tie with other applicants, we will use experience to determine the successful candidate.

What qualifies as experience with respect to your application? Note these can be either paid or volunteer experiences, or a combination of both.

Typical experiences for applicants include:

- coaching team sports
- working as a camp counsellor, summer program leader, or program leader for youth
- tutoring
- working with church groups or other youth groups
- working in school classrooms as a volunteer or assistant

What does **not** qualify as experience with respect to your application?

- Peer tutoring as a high school student
- Teaching or being a TA at the college or university level
- Parenting, babysitting or caregiving

A. Summary of Experience (use the required format)

Upload when you submit the application (by Jan. 31)

You will need to list the organization(s) where you acquired your 50 hours of experience, describe your duties and significant learning from these experiences. If your required hours are in one setting, please fill out the name and contact information of a second reference for that setting. A sample is included as part of the application instructions. You must use the format provided in these application instructions or your application will be considered incomplete and ineligible. The downloadable Word document is available here ([link](#)).

B. Reflection on Experience (use the required format)

Upload when you submit the application (by Jan. 31)

You will be asked to respond to the two provided prompts using examples from the experiences you included in your *Summary of Experience*. Your responses will be assessed on your ability to respond to the prompts using **specific** examples drawn from your experiences described in the *Summary of Experience*. This is not a list of accomplishments but rather an opportunity to reflect on what you have learned and how it will inform you as an educator. You must use the format provided in these application instructions or your application will be considered incomplete and ineligible. The downloadable Word document is available here ([link](#)).

C. Confidential Reference forms (two)

Each referee to email directly to UVic (by Jan. 31)

The confidential reference forms must be from the two people who you have identified in the *Summary of Experience*. Ensure that those you ask to be referees can speak to your experience working with children and youth of the appropriate age for your application. Referees must use the form provided; reference letters are not acceptable. References must meet the described criteria or your application will be considered incomplete and ineligible. Both references must recommend or highly recommend your application and results of references are not released to applicants. Reference reports are due at the same time as your application (January 31), so it is beneficial for you to ask potential referees well in advance of the deadline. Late references will not be considered. Instructions to your referee are included with the reference form. You may wish to review them. It is your responsibility to follow up with referees to ensure they have submitted the *Reference Form*.

References **cannot** be:

- relatives or other family members (including in-laws, step-family, etc.)
- friends or family friends,
- a classroom teacher whose only relationship to you is as their student
- co-workers,
- someone you taught or tutored,
- someone you have supervised,
- somebody who is also applying to a UVic teacher education program.

Obtain the reference form here by clicking this link. To avoid your form being received in an unreadable format: use the latest version of *Adobe Acrobat Reader* (free) to complete the top portion and save it to a desktop computer (not a phone or tablet) with the following file name: “**NEW/RETURNING FIRST INITIAL LAST NAME 4-YR ELEM**” depending on whether you’ll be new to UVic or a returning UVic student (ex. NEW J SMITH SEC PDPP).

- Email the form to your two referees, asking them to follow the instructions on the form to complete it and email it **directly to** AWetmore@cotr.bc.ca.

Note: Applicants may also be invited to meet with the Teacher Education Office during their experience review. Only applicants who are conditionally admitted will have their experience reviewed. **Please do not assume that you have satisfied this experience requirement based on applying or being wait-listed for program admission in a previous year.**

Optional: Supplementary form for First Nations, Métis and Inuit applicants

The Faculty of Education is committed to increasing the number of First Nations, Métis and Inuit teachers and has reserved 5% of the positions in teacher education programs for applicants who meet the Faculty of Education’s admission requirements. If you have Aboriginal ancestry, and would like to be considered for this quota, please email the [supplementary form](#) to iedlpa@uvic.ca.

*If you need help with the form
or have questions, please call
(250) 721-8389 or e-mail
ied@uvic.ca.*

Check your status and checklist

Log into [My UVic Application](#). Use the checklist to see that all transcripts and supporting documents have been received.

Notes:

If you are attending the same institution (other than UVic) in the January to April 2022 term as you are in the Fall 2021 term, you'll see at least two entries for that institution on the checklist: one with a January 31 deadline and another with a May 31 deadline.

It can take two to three weeks from the time an item is received at UVic for it to be recorded on the checklist.

The date a transcript is received at UVic determines whether it is considered on time or late, not the date that UVic staff uploads it to your checklist.

Application status updates

Education Advising will email you at least once by mid-June.

Mid-June: Education Advising will email you if you are not eligible for admission (based on missing requirements or missing documents).

June-July: Once second term grades (due May 31) have been received and reviewed for all applicants, Education Advising will email you: to make an offer of admission, to tell you that you've been placed on a waitlist, or to explain why you are not eligible for admission.

July to August: If you are on the waitlist and a seat becomes available, Education Advising will email you an offer of admission.

Note: Admission offers are time sensitive. If you will not have email access for more than one week, contact Education Advising.

Selection

For September 2022 Entry, admission is based primarily on GPA as long as experience requirements are met.

Conditional admission based on academic requirements: Applicants who apply, submit all transcripts, submit all other required items, and satisfy all academic requirements by the published deadlines will be ranked by their 12-unit grade point average and selected to the program (offered conditional admission) starting with the highest GPA until all program seats are filled.

- *The 12-unit/sessional GPA is calculated on the most recent sessional GPA at April 30, 2022. If the most recent session is fewer than 12 units, previous session(s) averages will be included until a total of 12 units is reached.*
- *12 UVic units is equivalent to 8 typical, half-year courses.*
- *While the minimum required GPA is 3.00 (9-point scale, UVic C+), admission is competitive and the actual GPA cut-off may be higher.*
- *The number of seats available for new-to-faculty, year two applicants will depend on the number of year-one elementary education students eligible to progress to year two. That number won't be known until May 2022.*

Admission confirmed based on experience requirement: Applicants offered conditional admission as above must satisfy the East Kootenay Teacher Education Office's experience requirement in order for their offer of admission to be confirmed. (See "Experience Requirement" above). **Note:** Only applicants who have been conditionally admitted will have their experience reviewed.
