

Pre-admission requirements handout: Kwantlen Polytechnic University

Bachelor of Education Elementary Curriculum – year two entry

Faculty of Education
University of Victoria

This handout lists courses offered at **Kwantlen Polytechnic University** that you can take to make yourself eligible for admission to the University of Victoria's four-year elementary teacher education program. The handout is based on the [September 2021 University of Victoria Calendar](#), the [Kwantlen Polytechnic University](#) website, and the online [BC Transfer Guide](#). This information is updated annually.

Tip! When planning your course combinations, it is important to confirm that they do not have overlapping content and that you can receive credit at both the institution(s) offering the courses and UVic. Refer to course descriptions on institution websites for possible notes related to combining courses. Refer to the BC Transfer Guide (linked above) for information about how courses transfer to UVic as well as notes about course combinations that will not receive credit.

For **detailed admission requirements**, please refer to the program website:

<https://www.uvic.ca/education/curriculum/undergraduate/home/programs/elmbed/index.php>

What do I need to be eligible for admission?

To be considered for entry to **year two**, you must satisfy both academic and experience requirements. More details are provided on the faculty website (see link above).

Academic requirements:

- approved coursework in each of English, Canadian studies, mathematics, laboratory science
- minimum UVic C+ average in two approved math courses
- minimum UVic C+ grades in each approved English course
- sessional grade point average of a least UVic C+ based on a minimum of 12 UVic units or eight half-year courses.

These requirements must be completed by **April 30th** of the year of application so that a final transcript is received at UVic by May 31.

Experience requirement

You'll need relevant experience working with groups of children in educative ways. Babysitting experience would not satisfy this requirement, but working as a camp counsellor would, for example. Please refer to the [program website](#) for more details about this requirement, including the number of hours required (*updated each September for the following year's intake*)

Approved English

Select **two** from:

- ENGL 1100 Introduction to University Writing
- ENGL 1202 Reading and Writing about Selected Topics: An Introduction to Literature
- ENGL 1204 Reading and Writing about Genre: An Introduction to Literature

Notes:

- You'll need a grade of UVic C+ or higher in each course to demonstrate competency in written English.
- We are not able to accept communications, technical or creative writing courses.
- We can't accept two English composition/academic writing courses. At least one course must be a literature topic.

Approved Canadian studies

Choose courses that focus on the Canadian experience and cover topics taught in the BC elementary social studies curriculum.

Select **two** from:

- GEOG 2140 Regional Geography of Canada (*continues on page 2*)
- HIST 1113 Cultures in Collision: Canada to 1867
- HIST 1114 Forged in Fire: Canada since 1867
- POLI 1120 Canadian Government and Politics
- SOCI 2225 Canadian Society: Conflict and Consensus

Notes:

- Pan-Canadian topics are recommended.
- No more than one approved regional studies course can be accepted.
- We are not able to accept Canadian literature or fine arts courses.

Approved mathematics

Select **two** from:

- MATH 1115 Statistics I
- One of (MATH 1120 Differential Calculus or MATH 1130 Calculus for Life Sciences I)
- MATH 1135 Problems and Concepts
- MATH 1190 Mathematics for Elementary School Teachers
- One of (MATH 1220 Integral Calculus or MATH 1230 Calculus for Life Sciences II)

Notes:

-  We suggest that you take MATH 1135 and 1190.
-  You'll need a UVic C+ average or higher on two mathematics courses to demonstrate competency in mathematics.
-  We'll consider **one** statistics course if that course was taken from a mathematics department.
-  We are not able to accept courses completed more than 10 years prior to program entry.
-  We can't accept pre-calculus or introductory college algebra.

Approved laboratory science

We suggest that you choose courses from two subjects to develop a more comprehensive science background. You'll teach all science subjects in your elementary classroom. The courses you take must include a laboratory component* because elementary teachers are encouraged to take a field-based, hands-on approach to teaching sciences.

Select **two** from:

- ASTR 1100 Introduction to Astronomy
- BIOL 1110 Introductory Biology I
- BIOL 1112 Biology Today
- BIOL 1210 Introductory Biology II
- CHEM 1110 The Structure of Matter
- CHEM 1210 Chemical Energetics and Dynamics
- PHYS 1101 Physics for Life Sciences I

Notes:

-  2022 intake: the minimum 1.5 hour per week **in-person** lab requirement is temporarily waived. The lab science course content requirements remain the same.
-  We are not able to accept more than one human anatomy/physiology course.
-  We are not able to accept courses completed more than 10 years prior to program entry.

Approved academic electives

This program includes **two academic electives** related to topics taught in BC schools. You can take these electives in year one or in a summer session *prior* to year three. Tip! Academic electives *must* be complete before entering year four of the program.

Notes:

-  Additional Canadian studies, English, and/or laboratory science courses may be taken as academic electives.
-  We suggest that you take one or more French courses because you'll teach French in your classroom. The BEd program includes EDCI 469 Teaching Oral French. While a university French course is not a prerequisite, it would be beneficial.
-  Examples of approved academic subjects include: anthropology, biology, chemistry, computer science, Indigenous studies, geography, geology, history, physics, political science, psychology, sociology, theatre, women's studies.
-  Use the BC Transfer Guide www.bctransferguide.ca to confirm that the courses you want to take transfer to UVic. See the tip at the top of this form (page 1) regarding planning course combinations that do not have overlapping course content.

How and when to apply

January 31: Application deadline. For information on how to apply, visit the Faculty of Education website starting in the fall. **Tip!** Submit your application in January after you've finalized your January – April course registration.

January 31: First transcript deadline. Transcripts are required for all courses attempted to December 31 *and* all courses in-progress to April 30.

May 31: Final transcript deadline. Transcripts are required for all courses attempted to April 30 (course completion deadline).
