A. HUGH SALMOND MEMORIAL SCHOLARSHIP IN ELEMENTARY SCIENCE EDUCATION

A scholarship is awarded to a student entering their final year of a program in elementary education with a view to excellence in science education and/or science education leadership. The student must have demonstrated excellent teaching performance and the ability to use creative approaches to teaching as documented in practica reports, school visits, and planning. The student must also have achieved first class standing in coursework.

Check the following boxes that are applicable:

- I am entering my final year in an elementary or middle years program.
- I have provided evidence of excellence in science education and/or science education leadership.
- I have attached copies of my practica reports.

Incomplete applications will not be considered.
